

UNDT/2011/137, Nzau

UNAT Held or UNDT Pronouncements

The ends of justice are not served but its processes stultified by requiring that an Applicant who had obtained judgment in his/her favour should seek management evaluation for enforcement or execution of the said judgment. An Applicant who refused to accept a cheque made out to her/him in time in fulfilment of a judgment sum cannot turn around to seek payment of interest on the said judgment sum on the grounds of delay. Having found that the monies awarded to the Applicant have been duly paid, the Tribunal rejects the Application in its entirety.

Decision Contested or Judgment/Order Appealed

In the Applicant's application dated 12 August 2010 she seeks the implementation of former UN Administrative Tribunal Judgment No. 1420.
