

# UNDT/2011/161, Megherbi

## UNAT Held or UNDT Pronouncements

The Tribunal found that the provisions of ST/AI/1998/9 did not allow the reclassification of the Applicant's post and concluded accordingly that the Applicant had no grounds for contesting the refusal to reclassify his post. The Tribunal further found that the Administration's delays in notifying the Applicant of the reclassification decision, even though the decision was well-founded, had caused him to suffer moral damage, for which the Tribunal awarded EUR2,000.

## Decision Contested or Judgment/Order Appealed

The Applicant appealed the decision not to reclassify his post from the P-3 to the P-4 level.
