

UNDT/2011/183, Rahman

UNAT Held or UNDT Pronouncements

The Tribunal found the application irreceivable *ratione temporis*, considering that, for the purpose of former staff rule 111.2(a), the Applicant was duly notified of his non-selection by the email of 5 June 2009, and that subsequent communications were merely confirmative. Notification of non-selection decision: Former staff rule 111.2(a) did not require that a decision must be communicated in any specific manner, except that it must be in writing. Confirmative decisions: A decision which merely confirms a previous one may not be appealed and it does not reopen the time limit for formal contestation. Time limit for administrative review: Pursuant to art. 8.3 of the Statute, the Tribunal has no power to waive the time limit for administrative review.

Decision Contested or Judgment/Order Appealed
