

UNDT/2011/215, Ekofo

UNAT Held or UNDT Pronouncements

The Tribunal found that the acts complained of amounted to misconduct under Staff Regulation 1.2 and Staff Rule 301.3(d) as conduct unbecoming of an international civil servant and as sexual harassment in connection with work. A written censure was a lenient sanction in the circumstances. Sexual harassment in connection with work, as prohibited by Staff Rule 301.3(d), includes a situation where outside the workplace a staff member perpetrated an act of sexual harassment upon another staff member.
