

UNDT/2012/122, Adegbindi

UNAT Held or UNDT Pronouncements

The UNDT found that the Applicant contested the administrative decision after the 60 day deadline for requesting a management evaluation had passed. Her Application was therefore not receivable as the Tribunal is not competent to extend the deadline for a request for management evaluation.

Decision Contested or Judgment/Order Appealed

The Applicant appealed what she described as the refusal of the administration to recognise her husband as her dependent spouse and grant her the benefits and allowances related to such dependency status. She also contested the refusal of the administration to pay for the reinstallation of her spouse at her duty station after he had been repatriated to his home country.
