## **UNAT Held or UNDT Pronouncements**

Taking into consideration the Respondent's response that the internal processes had not yet reached finality, the Tribunal found that it would not be appropriate to consider the matter until such time as all applicable and relevant procedures had been concluded. Consequently, the application was deemed premature and dismissed as irreceivable.

## **Decision Contested or Judgment/Order Appealed**

The Applicant contested the actions of the UNAMI Chief of Mission Support (CMS) by alleging that they were in breach of ST/SGB/2008/5 and prejudicial to his rights as a staff member to be provided with a prompt and effective means of redress.
