## UNAT Held or UNDT Pronouncements

The Tribunal found that the Applicant became aware of the contested decision on 21 February 2019. She requested management evaluation on 27 April 2019 and she was late by 5 days. Since the request for management evaluation was time-barred, the application before the UNDT was not receivable.

## Decision Contested or Judgment/Order Appealed

The Applicant contested UNAMI's decision not to select her for the position of Chief Security Officer.

## Legal Principle(s)

Pursuant to staff rule 11.2(c ), a request for a management evaluation shall not be receivable by the Secretary-General unless it is sent within 60 calendar days from the date on which the staff member received the notification of the administrative decision to be contested. Further, as per the settled jurisprudence, the Dispute Tribunal may only review decisions that have been the subject of a proper and timely request for management evaluation.
