

2013-UNAT-317, El Khatib

UNAT Held or UNDT Pronouncements

UNAT considered Mr El Khatib's application for revision of judgment No. 2011-UNAT-142. UNAT held that Mr El Khatib did not identify any fact unknown at the time of the impugned judgment which could justify its review. UNAT held that what he actually sought was a discussion of the amount of compensation awarded to him, an option not granted by the Statute. UNAT held that the petition did not meet the statutory requirements. UNAT dismissed the application for revision.

Decision Contested or Judgment/Order Appealed

Mr El Khatib had contested the abolition of his post and the delay in payment of salary increments. On appeal, UNAT held that he had not been properly treated and awarded compensation in the amount of three months' net base salary.
