## UNAT Held or UNDT Pronouncements

UNAT considered an application for revision of both judgment No. 2010-UNAT-098 (underlying judgment) and judgment No. 2011-UNAT-163 (judgment on application for revision). UNAT held that the application for revision of the underlying judgment was not receivable, as it was time-barred for not having been made within one year of the underlying judgment. UNAT held that the UNAT Statute and its Rules of Procedure did not provide for the revision of a judgment on revision and that to allow such an application would defeat the purpose of the one-year time limit. UNAT held that the application for revision of the judgment on application for revision was not receivable. UNAT dismissed the application.

## Decision Contested or Judgment/Order Appealed

Previous UNAT judgment: In judgment No. 2010-UNAT-098, UNAT reversed the UNDT judgment and affirmed the impugned decision to summarily dismiss Mr Masri. In judgment No. 2011-UNAT-163, UNAT rejected an application for revision of judgment No. 2010-UNAT-098.
