The Applicant filed a second application for interpretation of judgment No. 2017-UNAT-774 and an application for execution of judgment No. 2018-UNAT-827. Decision Contested or Judgment/Order Appealed

Previous UNAT judgments: In judgment No. 2017-UNAT-774, UNAT held that UNDT did not err in ordering the removal of adverse references to the staff member in meeting minutes and the recirculation of the revised minutes to all recipients to inform them of the findings of the relevant fact-finding panel that there was no basis to support the damaging comments made against the Appellant, UNAT reduced the amount of compensation and vacated the UNDT's award for procedural error. In judgment No. 2018-UNAT-827, UNAT disposed of an application for interpretation of judgment No. 2017-UNAT-774.
