

2020-UNAT-1041, Dufresne

UNAT Held or UNDT Pronouncements

UNAT held that UNDT was correct to find that the application was not receivable. UNAT dismissed the appeal and affirmed the UNDT judgment.

Decision Contested or Judgment/Order Appealed

The Applicant contested the lack of response on the issue of allowing her to pay UNJSPF contributions retroactively following a period of special leave without pay. UNDT held that the application was not receivable *ratione materiae* on the basis that the Applicant had failed to request management evaluation within 60 days from the notification of the contested administrative decision.

Legal Principle(s)

Time limits in the context of the UN internal justice system must be observed and strictly enforced. It is incumbent on UNDT to individualize and define the administrative decision challenged by a party and to identify the subject of judicial review.
