Efforts will be made to ensure that participation at the high-level thematic round tables reflects a balance between speakers from participating States and stakeholders. It is envisaged that up to 25 States and 8 other participants would be accommodated to speak during the interactive debate of each session. In order to provide for maximum participation, interventions should not exceed three minutes.

26. Each of the high-level thematic round tables will begin with statements by the Co-Chairs. A summary of each of the sessions will be presented orally by one of the Co-Chairs at the closing plenary meeting and will be included in the final report of the Conference.

VI. Bilateral meetings

27. For bilateral meetings among Member States at the Head of State or Government or ministerial level, 10 small meeting rooms, each with the capacity to hold 10–12 participants, will be available on the second floor of the Convention venue from 23 to 27 January 2022.

28. An electronic reservation system for the reservation of bilateral meetings will be activated through gMeets (<https://conferences.unite.un.org/gMeets>) on 13 January 2022 in order to provide for the equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically through gMeets by accessing <https://conferences.unite.un.org/gMeets>, logging in with their username and password and clicking on the “Bilateral” tab. To prevent double bookings, only the delegation initiating the bilateral meeting should submit the request. Reservations will be accepted for 20-minute durations starting on the hour and half-hour. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request.

29. Information about room assignments will be provided one day prior to the meeting. Depending on the programme, every effort will be made to keep a delegation’s consecutive appointments in the same room. Delegates are encouraged to submit the requests as early as possible. The accommodation of late requests will be subject to the availability of space. Delegations requiring further information should send their questions or enquiries to tongx@un.org and turner1@un.org. When sending an email, the wording “LDC5-bilats” should be included in the subject line. When on site, delegations can also contact the meeting management staff located in front of rooms 226 and 231.

VII. Interpretation

30. The official languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish. Statements made in the plenary and the round-table meetings will be interpreted into the six official languages.

31. Statements made in any of the six official languages of the Conference are interpreted into the other official languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute (as a guide for statements delivered in English) in order to ensure that the statement is delivered at a normal pace.

32. Any speaker may also make a statement in a language other than the official languages. In such cases, the delegation in question must provide an interpreter from the non-official language into an official language. Delegations seeking to provide their own interpreters for non-official languages are requested to inform the meetings management staff well in advance by email at tongx@un.org and turner1@un.org and to copy the Chief Interpreter at kochetkov@un.org.

33. In order to facilitate the provision of interpretation and other services, delegations are requested to submit their statements (in PDF format) by email to estatements@un.org. The name of the meeting and of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statement should be submitted well in advance of the meeting, but no later than two hours before delivery, and not in hard copy. The statements will remain embargoed until their delivery.

VIII. Documentation

34. The official documentation of the Conference will be issued in Arabic, Chinese, English, French, Russian and Spanish.
