

# Global skills initiative

Partnering to help people impacted by COVID-19 gain the skills for in-demand roles in a more digital economy

*Prepared for UN African Regional Review Meeting*

*Session 3: Rethinking structural transformation in African LDCs in the era of technological advancement and innovation*

# The problem we need to solve

**A global  
economic crisis**

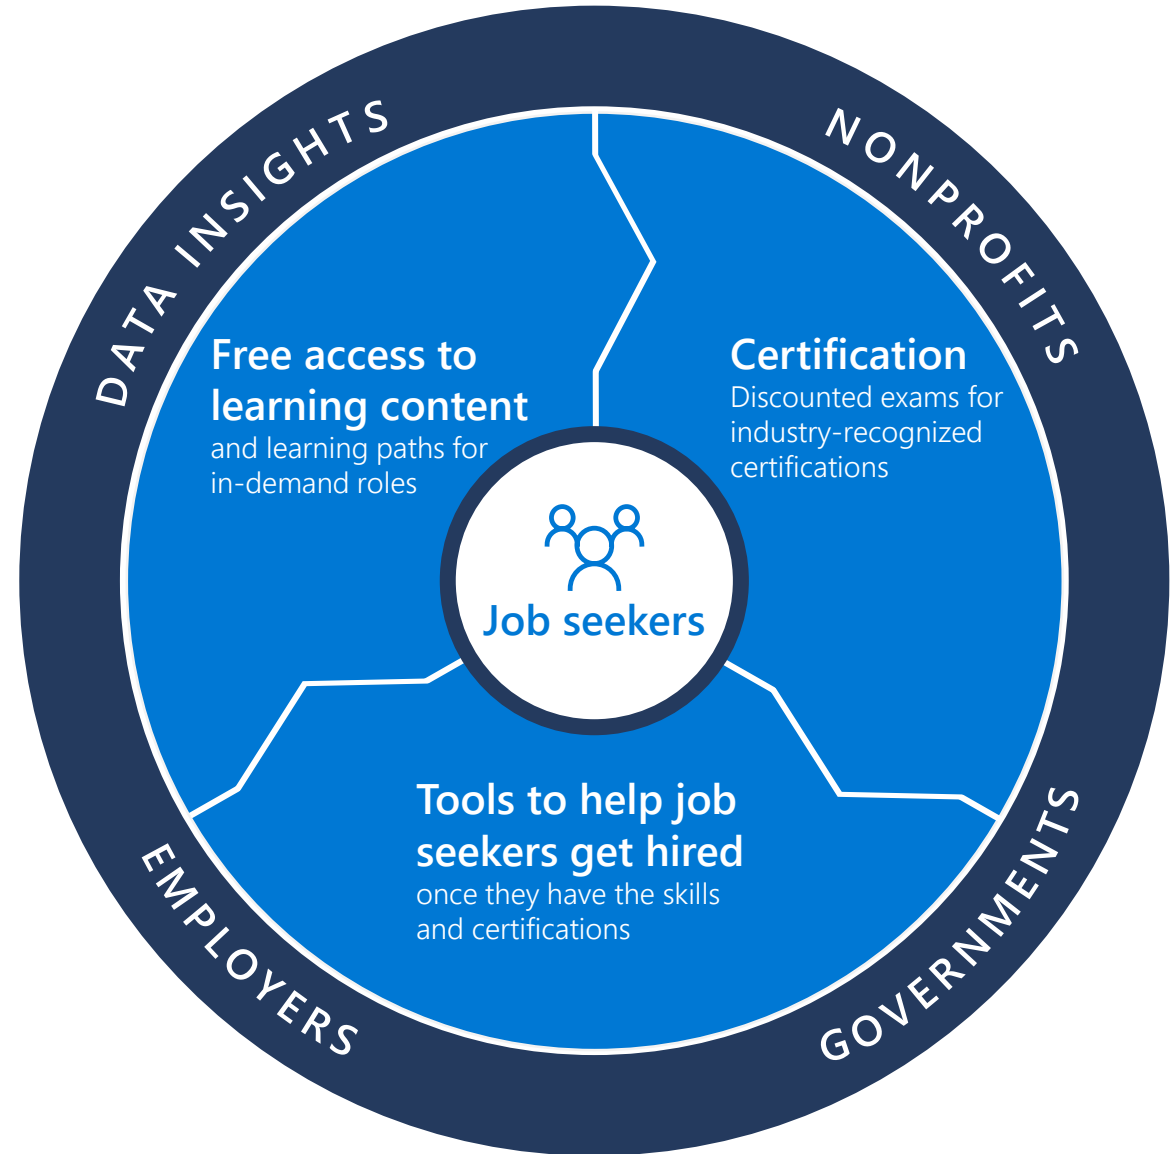

**Returning to a  
different economy**

**An intensified  
skilling challenge**

A comprehensive approach to help 25M job seekers

# We cannot do it alone

We must work across sectors to create greater impact for job seekers around the world.
