STRENGTHENING CAPACITY TO DEVELO BANKABLE TRANSPOR INFRASTRUCTURE PROJECTS FOR ENHANCE CONNECTIVITY

6-8 April 2021

UN-OHRLLS

REPUBLIC OF BOTSWANA

Training Workshop Orientation

UN-OHRLLS

Training Objectives & Topics

- Raise awareness of participants and build their skills on *preparing viable or bankable projects to expand or upgrade their transport infrastructure*;
- Understand available *funding opportunities and the requirements of banks and donors*
- Understand how to identify *other sources of funding for transport infrastructure*
- How to develop *supportive regulatory frameworks and enabling environments to attract more infrastructure financing*;
- Understand use of *public-private-partnerships to develop transport infrastructure*.
- Share experiences and best practices on promoting transport connectivity.

UN-OHRLLS

Methods and learning materials

- The training has modules and other background materials including a global report and the VPoA have been uploaded on the website. They have also been shared with all the participants.
- The training will consist of presentation of the relevant topics by different resource persons using many case studies as much as possible.
- Participants are encouraged to share their experiences

UN-OHRLLS
