

High-level Political Forum (HLPF) 2022: A Snapshot of Key Messages from African Voluntary National Reviews (VNRs)

- The present document contains the outcome of a machine-driven text analytics exercise. It is based entirely on the key messages from the VNR reports, as prepared by the African Member States themselves. The outcome is presented in an abstract way, which means that there is no subjective interpretation involved at this stage.
- Part 1 presents the Africa aggregate as well as the country-by-country presentation using the word cloud technique. Accordingly, the concepts appear in bigger fonts the more prominently they appear among the key messages. The language of presentation remains the same as the language in which the key messages were prepared.
- Part 2 presents a polar coordinates view of the key messages for each SDG and country. The scale goes from center to the radius (outer perimeter) showing the number of times (count) a word appeared in the text (for the given country); in other words, a dot near the center represents a lower number, i.e. 1, where a dot near the radius is the higher number, i.e. 8. In addition to the placement of the points, they are also sized by the count/frequency in which they appear in the text.
- This snapshot document represents joint work in progress between *OSAA-IGS* team and *KAMINO* team. It has been prepared by Jason Bellone (*KAMINO*) with contributions from Utku Teksoz and Mafizul Islam (*OSAA*). Disclaimer: It does not represent the official views of OSAA or the United Nations. As we proceed to further develop the text analytics outputs, we welcome all comments and suggestions from all stakeholders. Please kindly address your comments and suggestions to Mr. Utku Teksoz (teksoz@un.org) and to Mr. Mafizul Islam (islam50@un.org)

The graphic features a red five-pointed star with white borders. Inside the star, several green words are arranged in a circular pattern, each accompanied by a smaller text element:

- côtier (top)
- parlement (top-left)
- Code marin (left)
- l'environnement (top-right)
- désertification (right)
- l'investissement (bottom-right)
- l'édition (bottom-left)
- l'enseignement (left)
- l'adéquation (bottom-left)
- bâtiment (bottom-left)
- statistique (bottom-left)
- l'administration (bottom-left)
- l'augmentation (bottom-left)
- solarisation (bottom-right)
- climat (bottom-right)
- l'enfant (bottom-right)
- création (bottom-right)
- passer (bottom-right)
- l'instar (bottom-right)
- présenter (bottom-right)
- partenariat (bottom-right)
- justice (bottom-right)

The word "lutter" is written vertically along the bottom edge of the star.

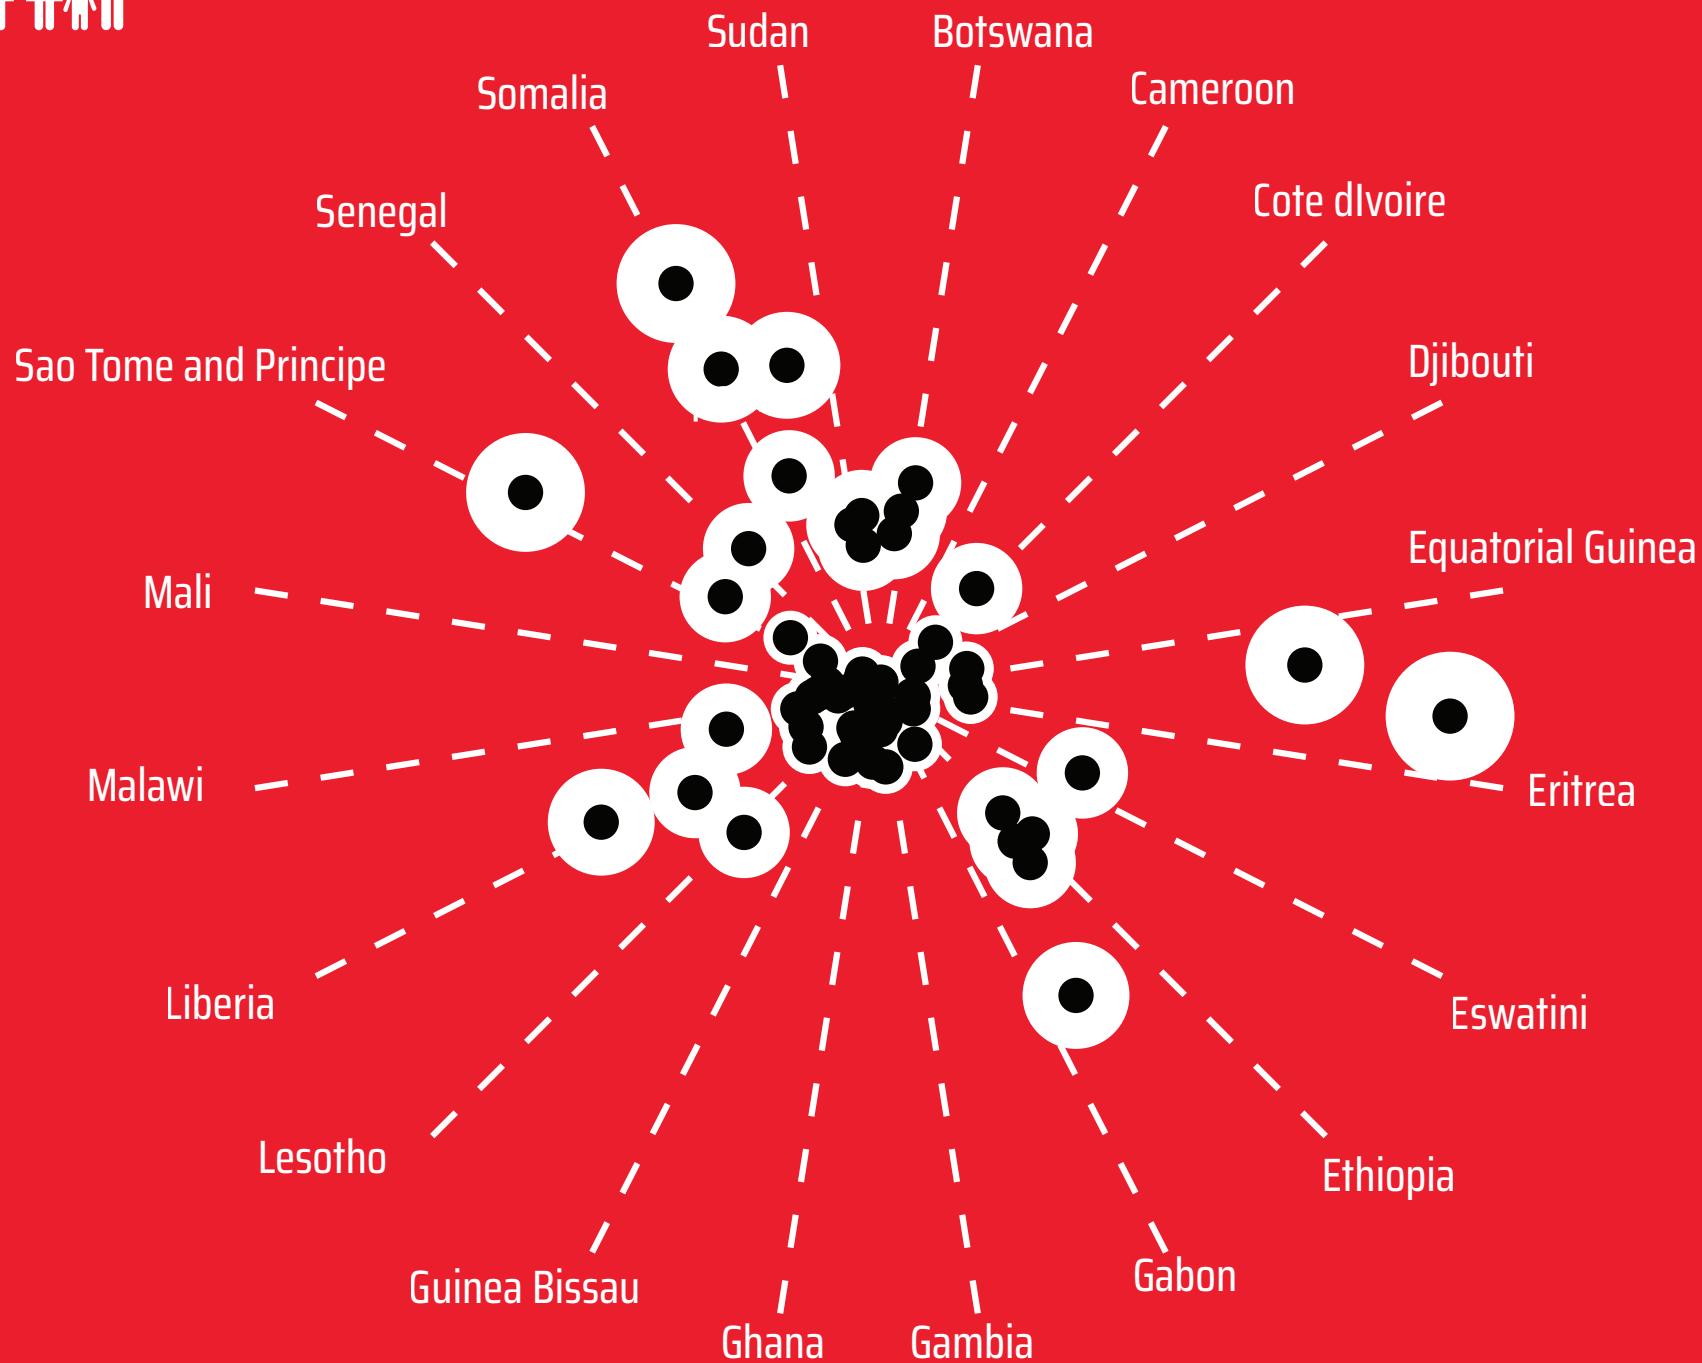

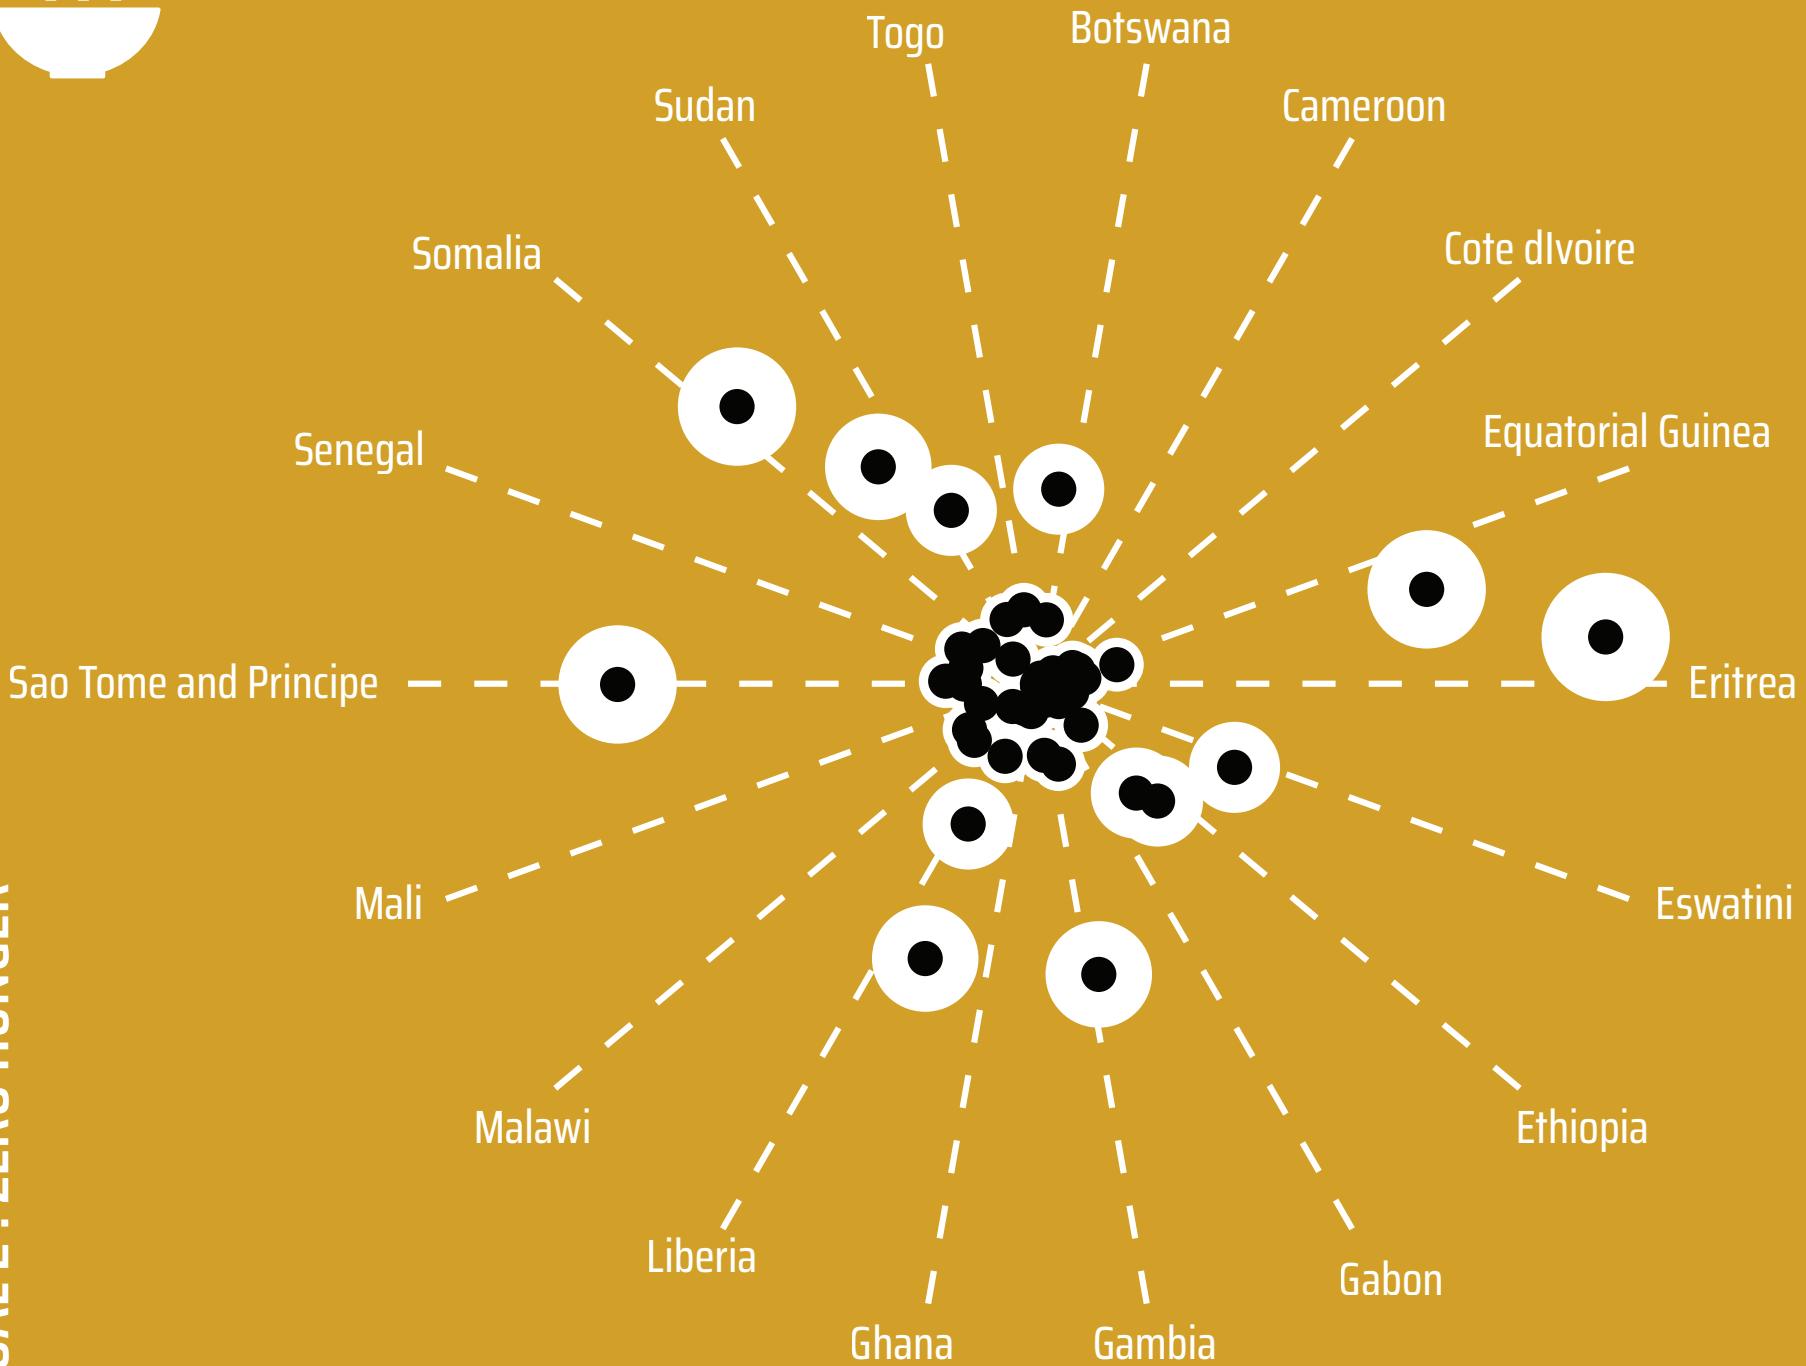

POLAR COORDINATES

Part 2: Polar coordinates

GOAL 1: NO POVERTY

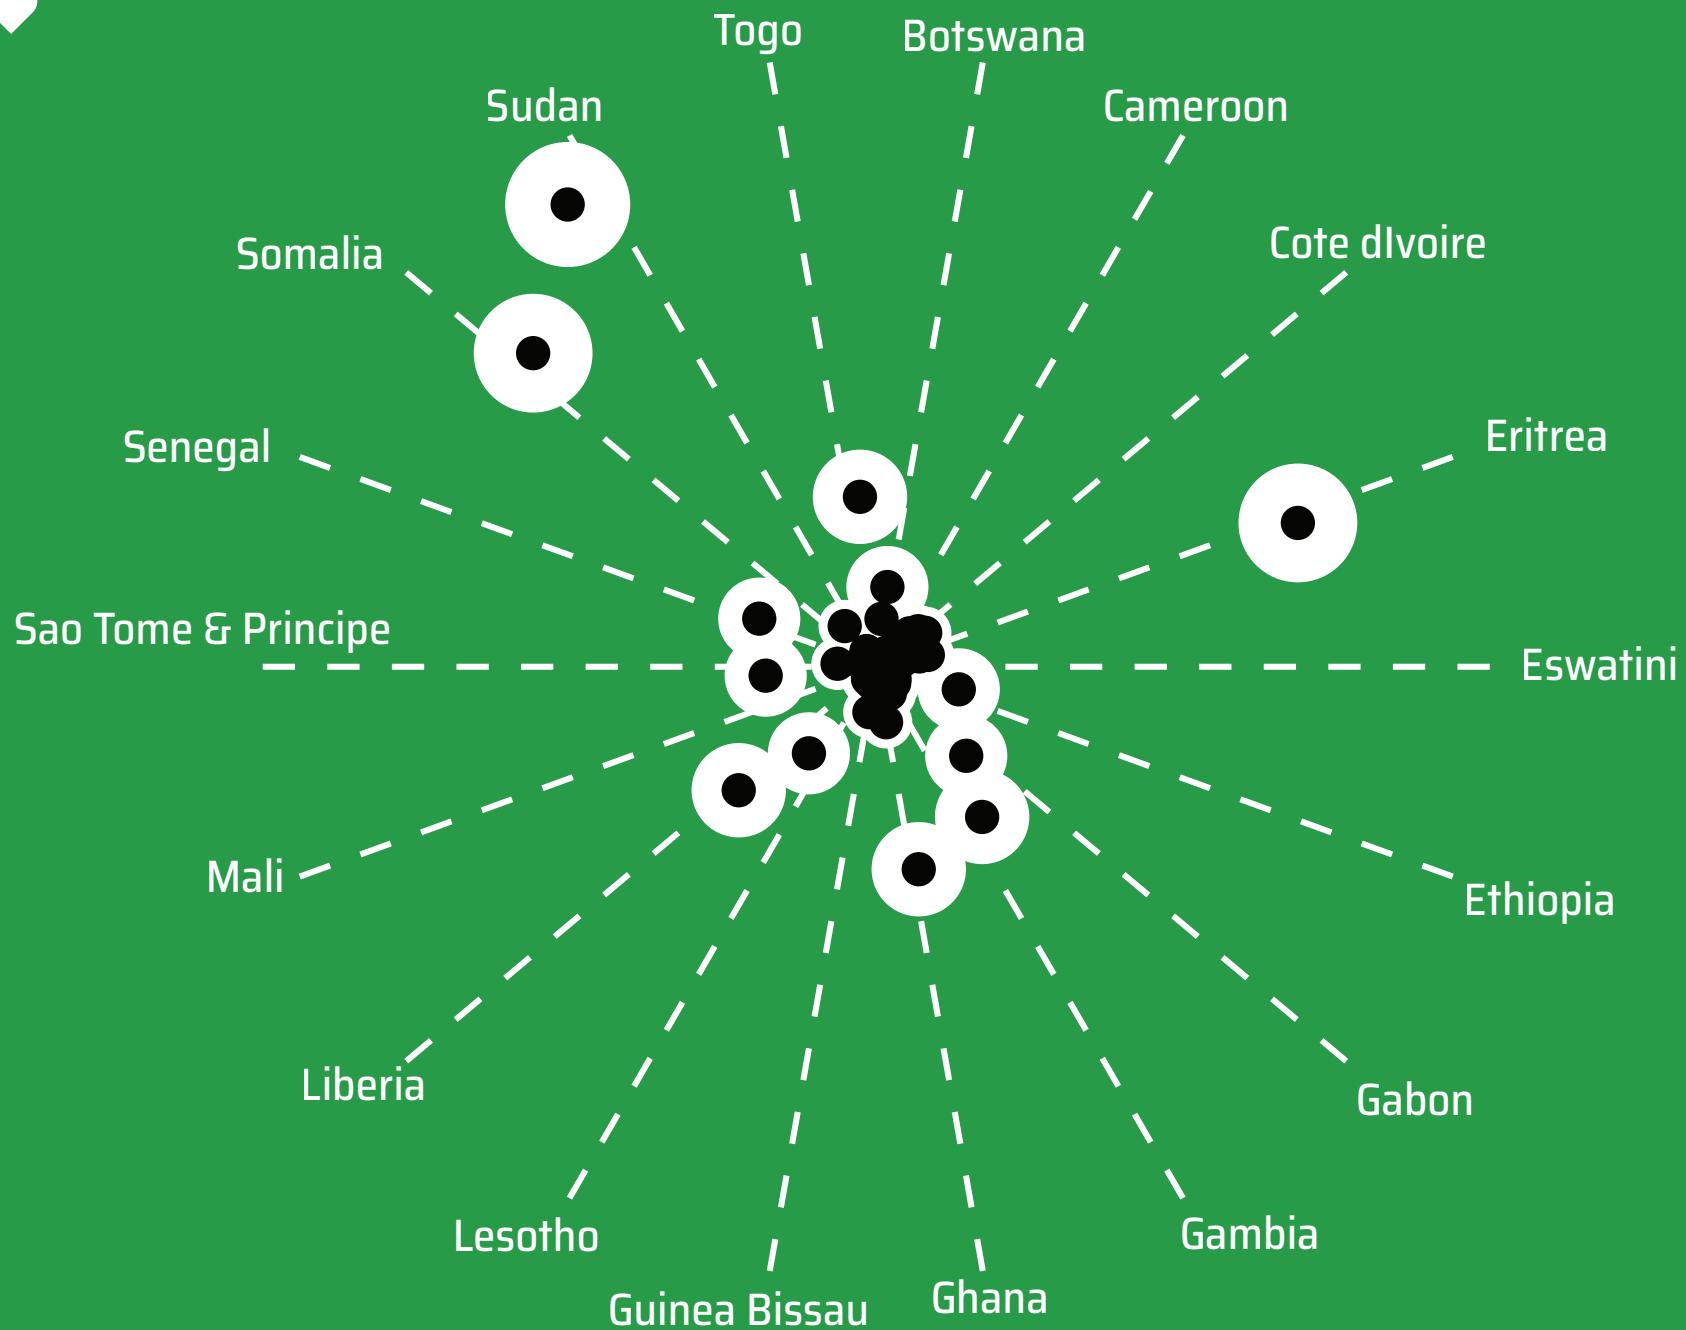

GOAL 3 : GOOD HEALTH AND WELL-BEING

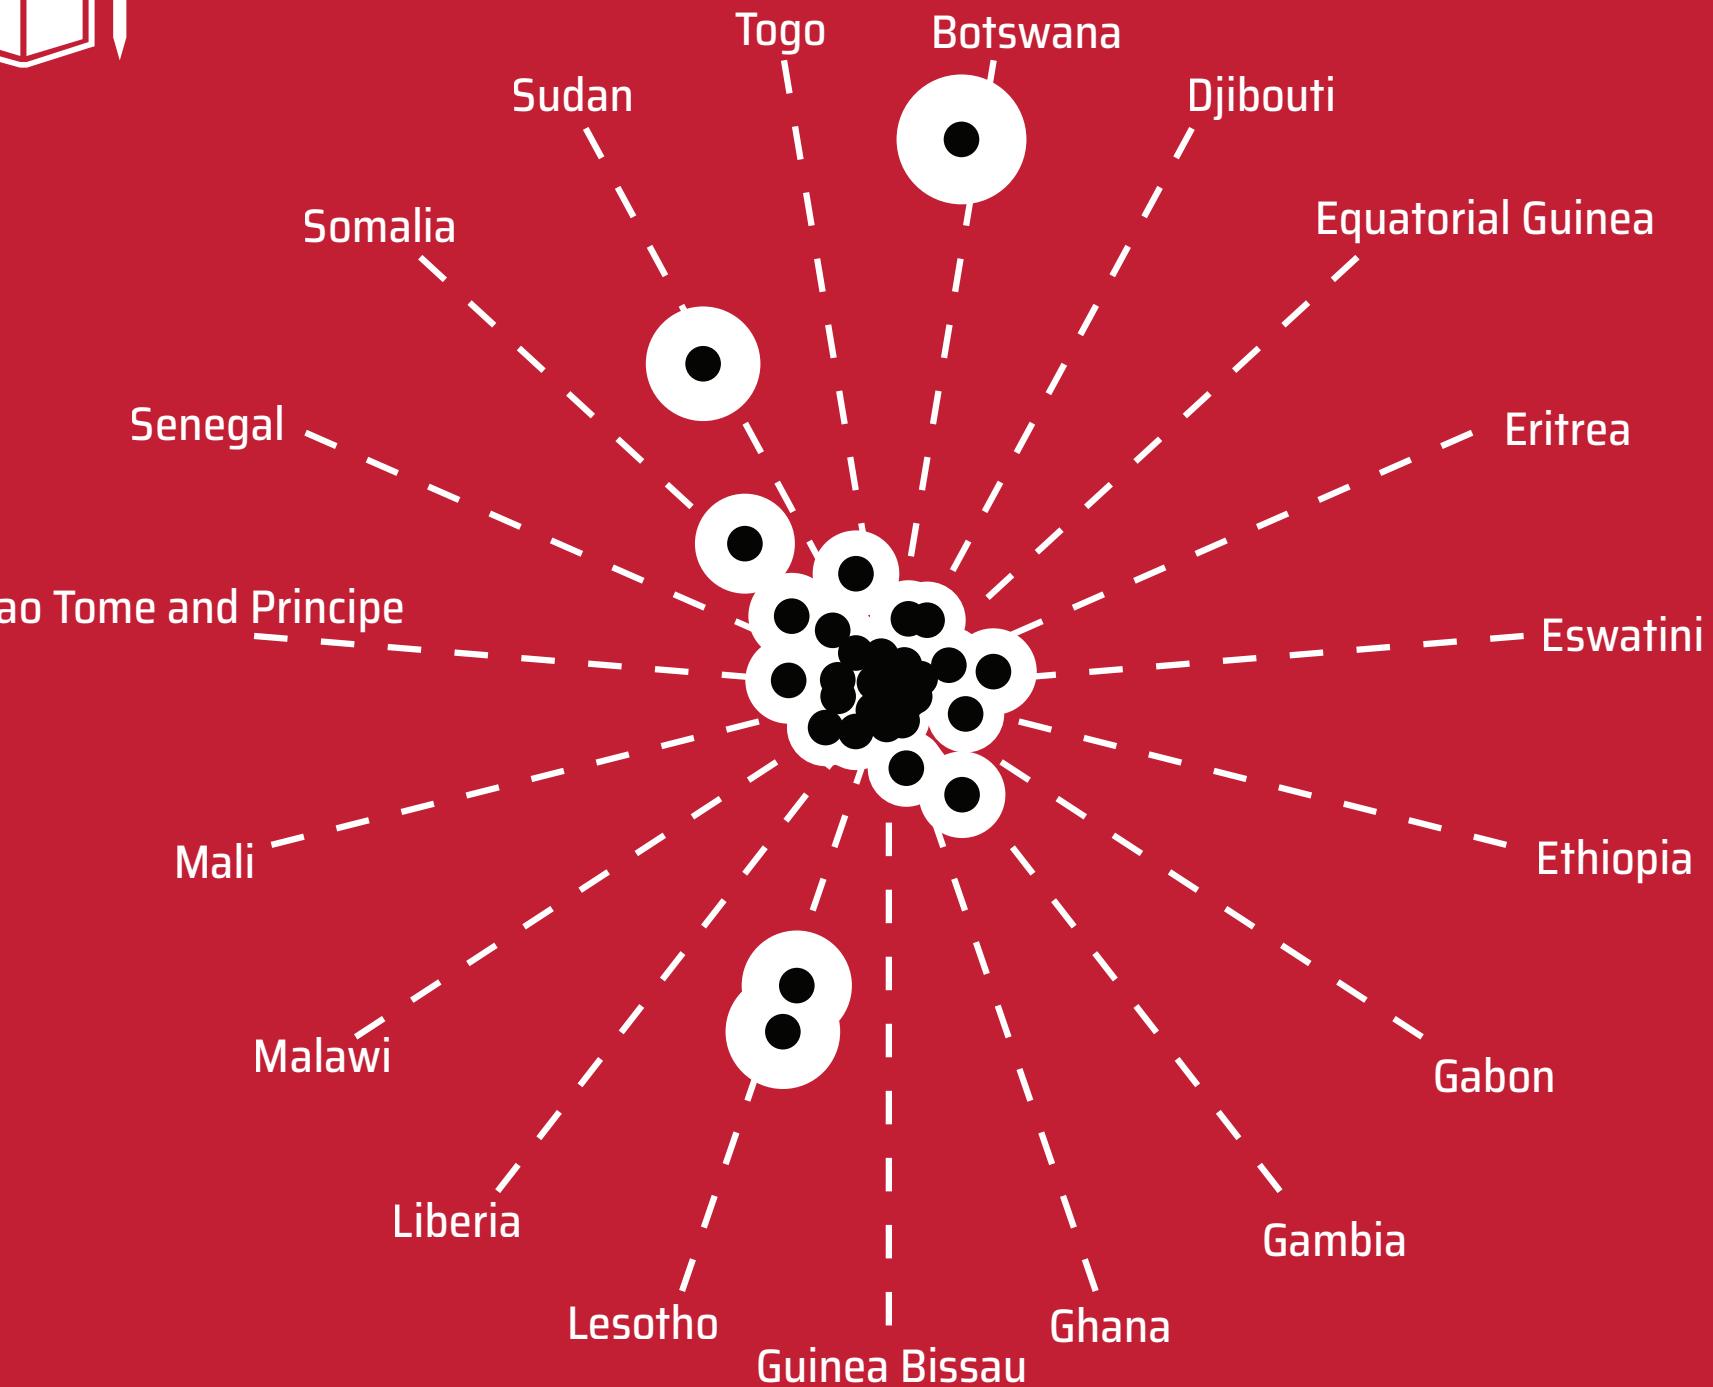

Part 2: Polar coordinates

GOAL 4 : QUALITY EDUCATION

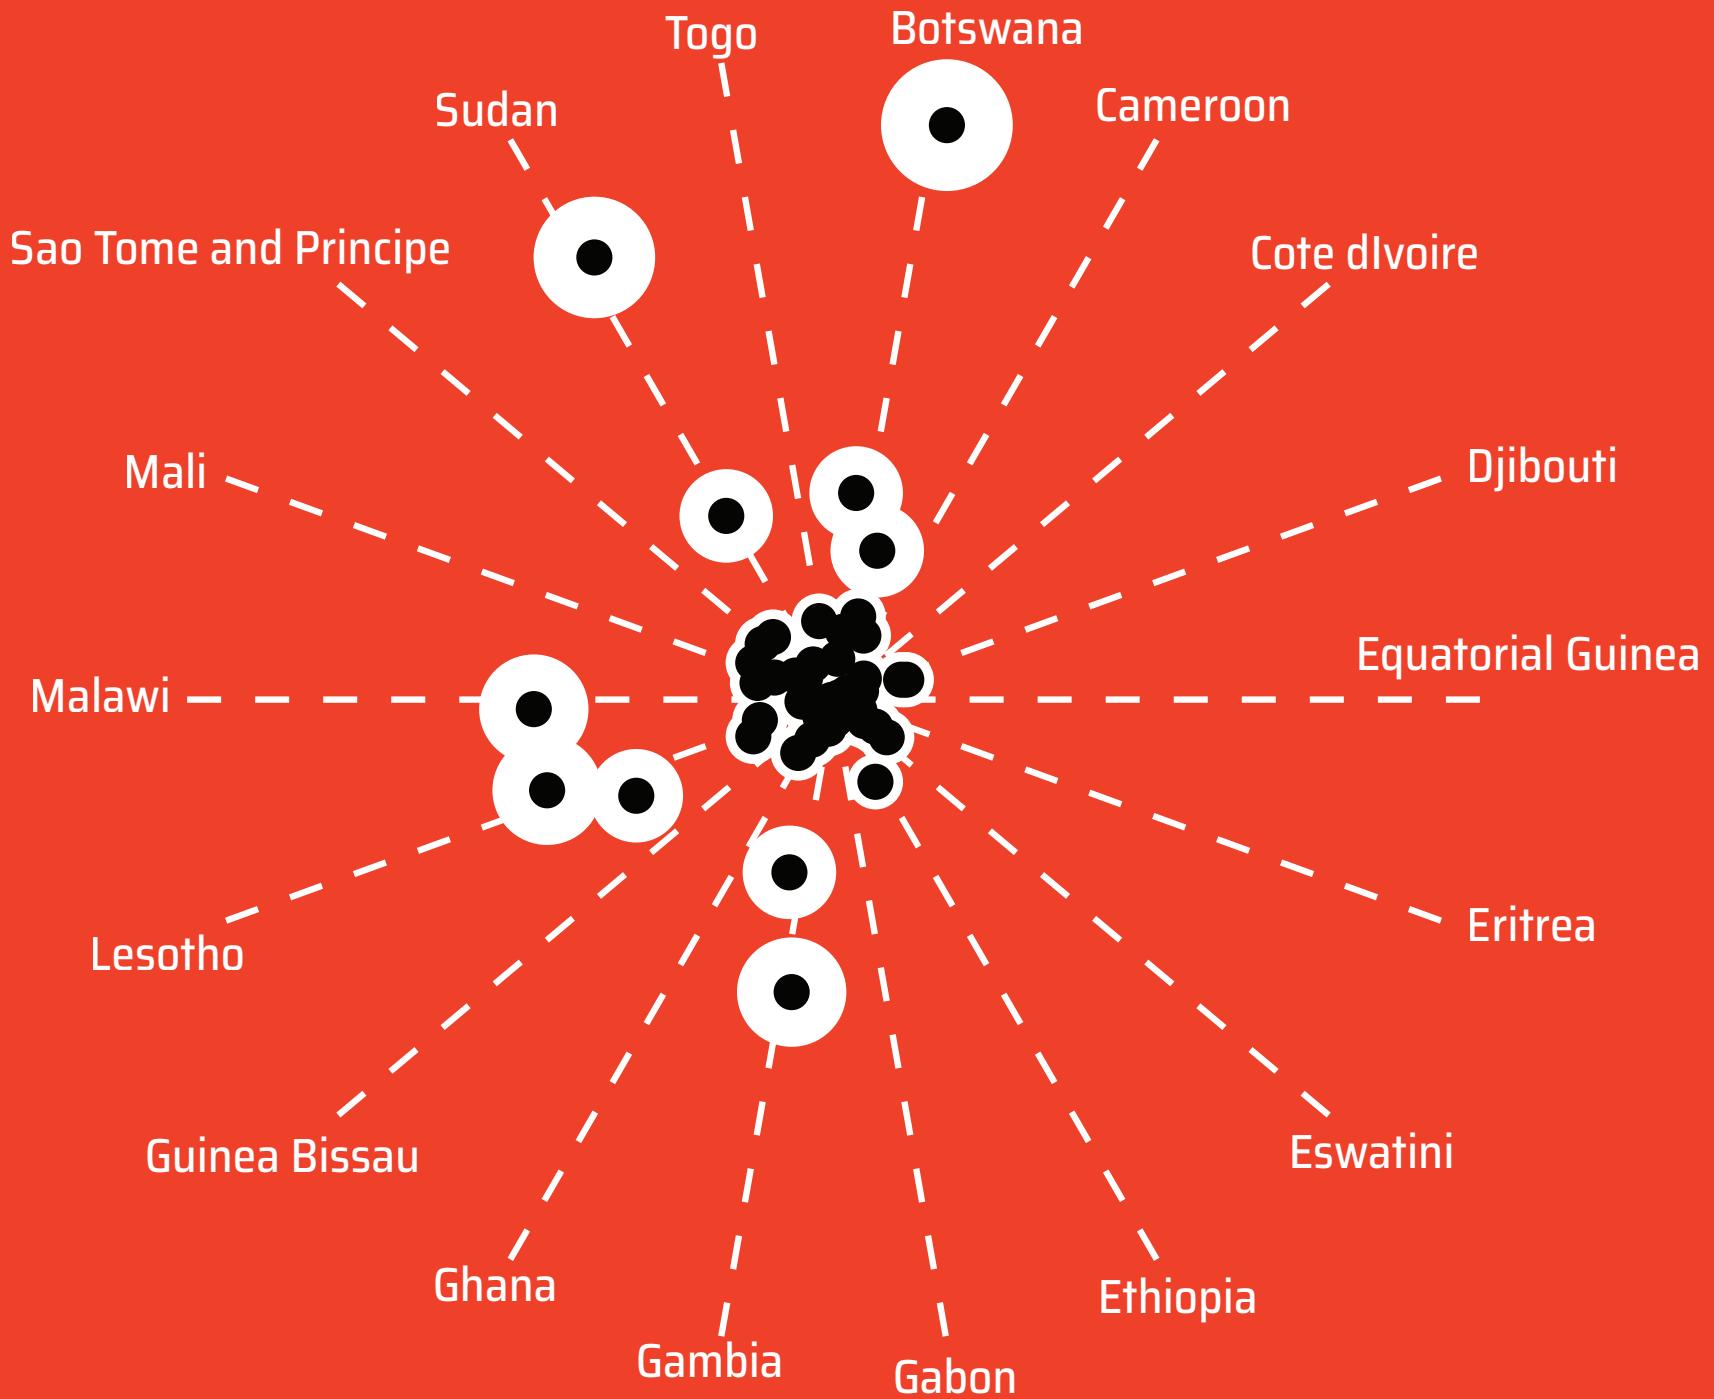

Part 2: Polar coordinates

GOAL 5 : GENDER EQUALITY

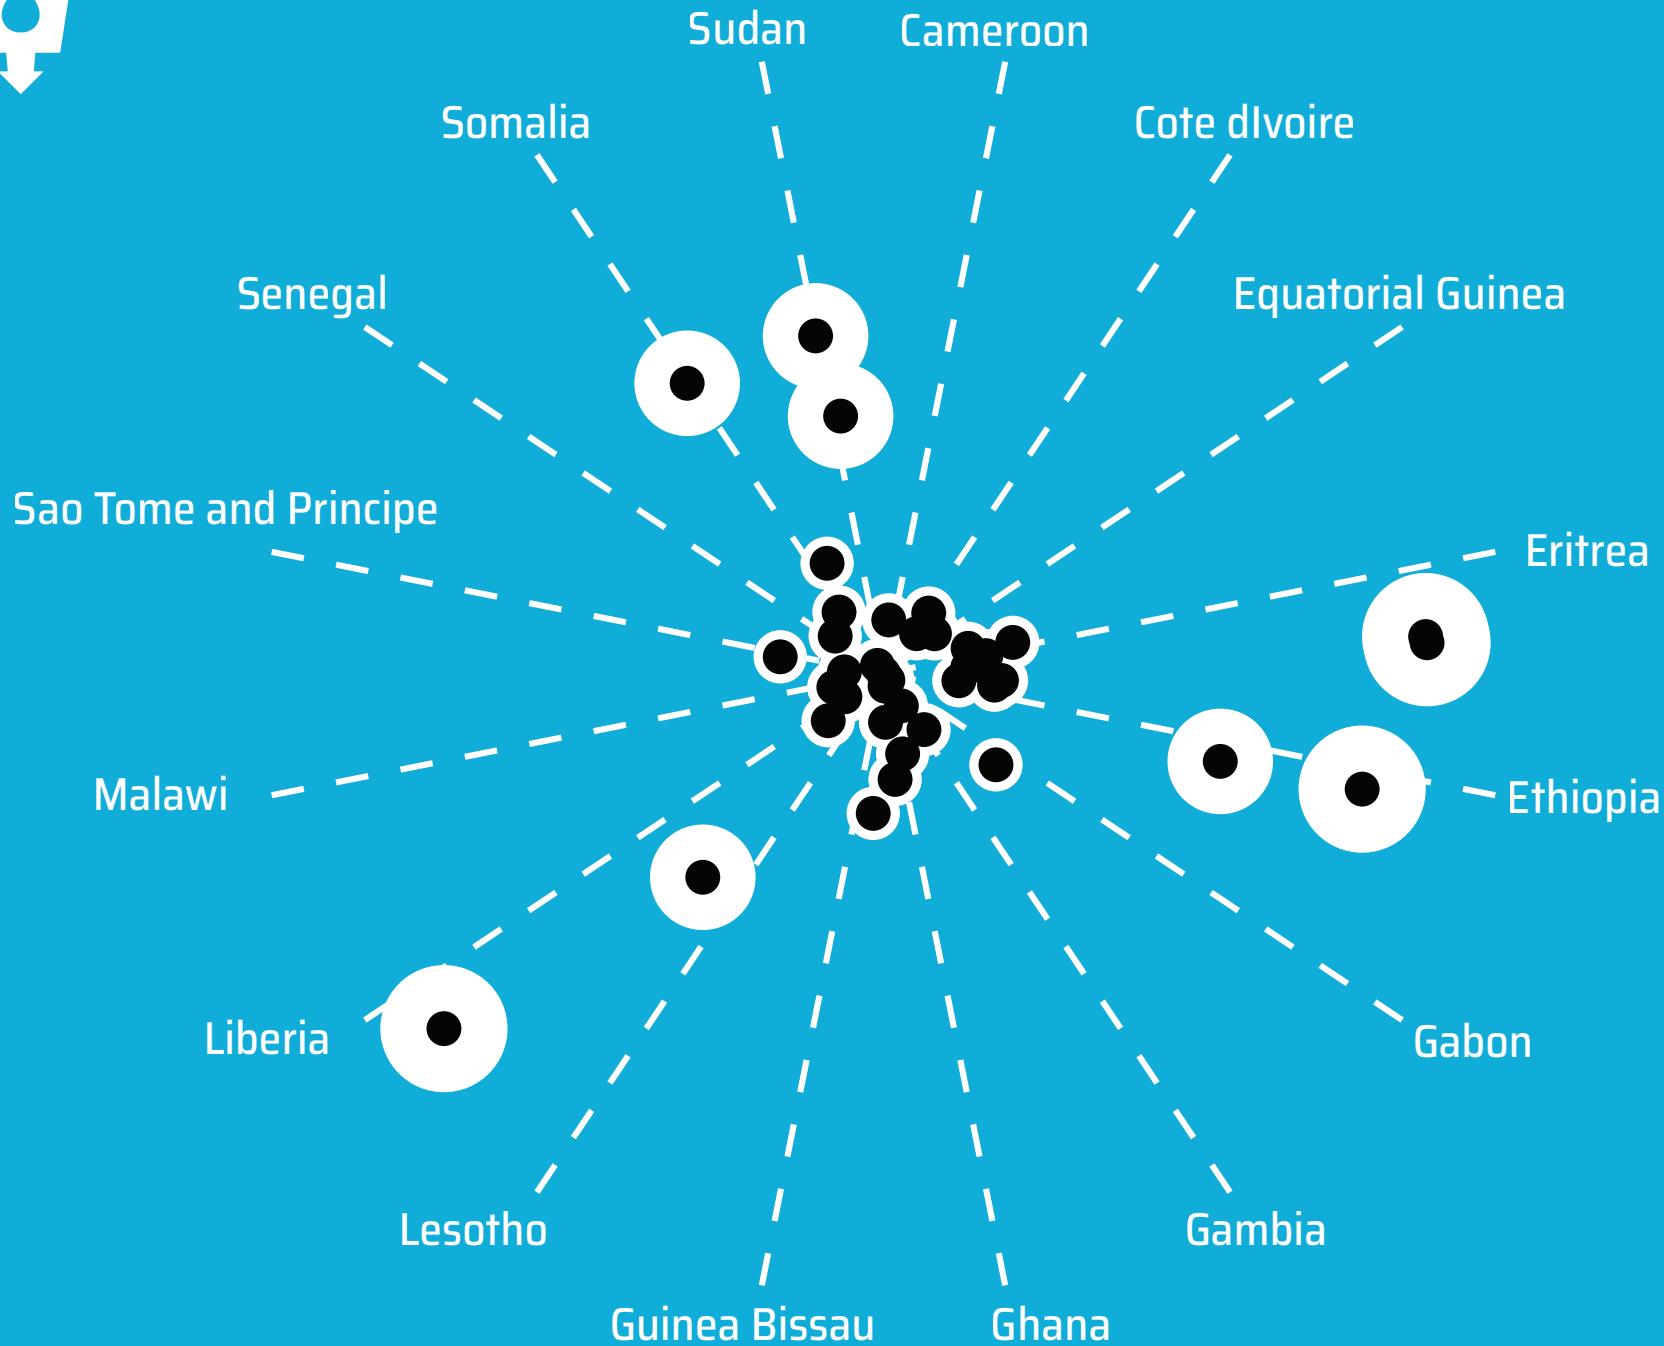

Part 2: Polar coordinates

GOAL 6 : CLEAN WATER AND SANITATION

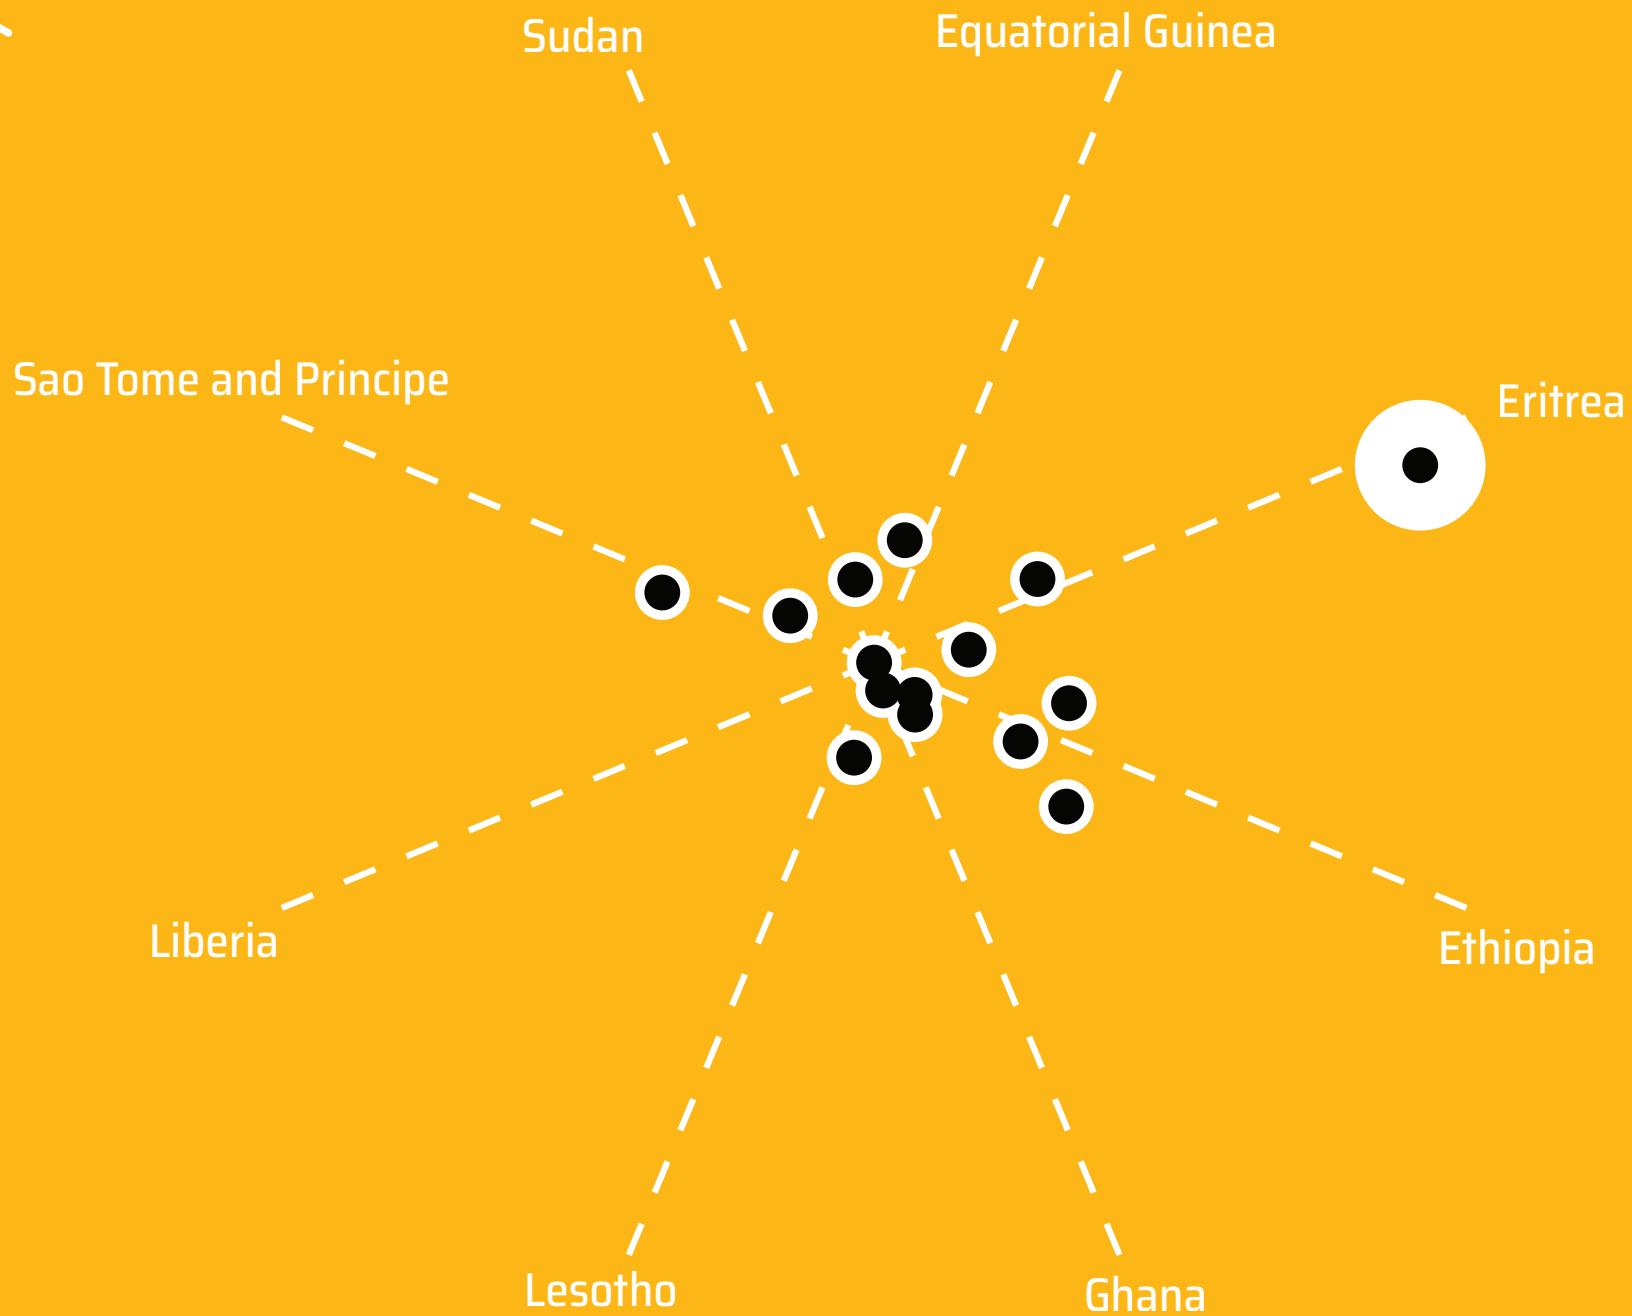

Part 2: Polar coordinates

GOAL 7 : AFFORTABLE AND CLEAN ENERGY

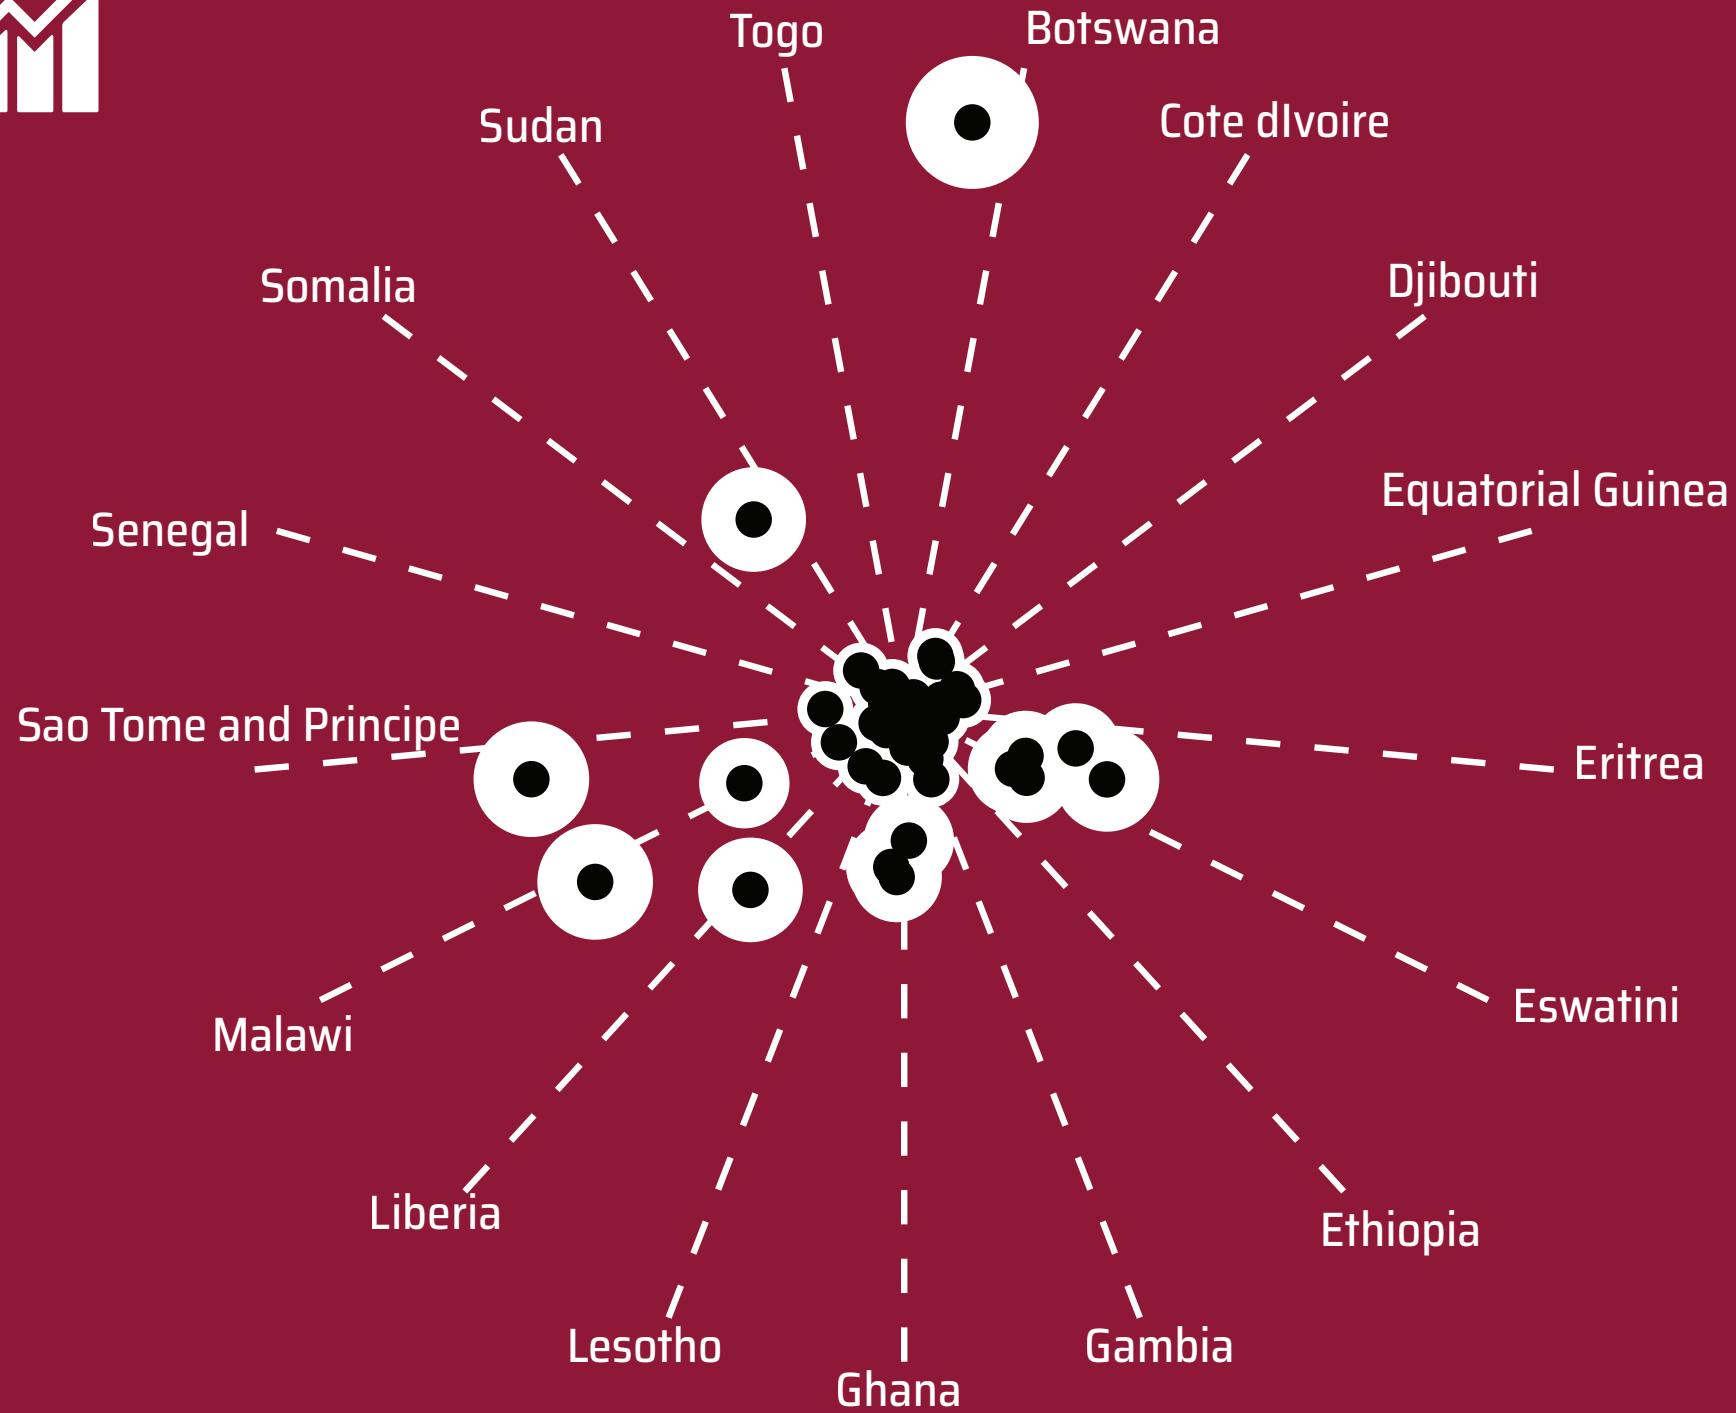

Part 2: Polar coordinates

GOAL 8 : DECENT WORK & ECONOMIC GROWTH

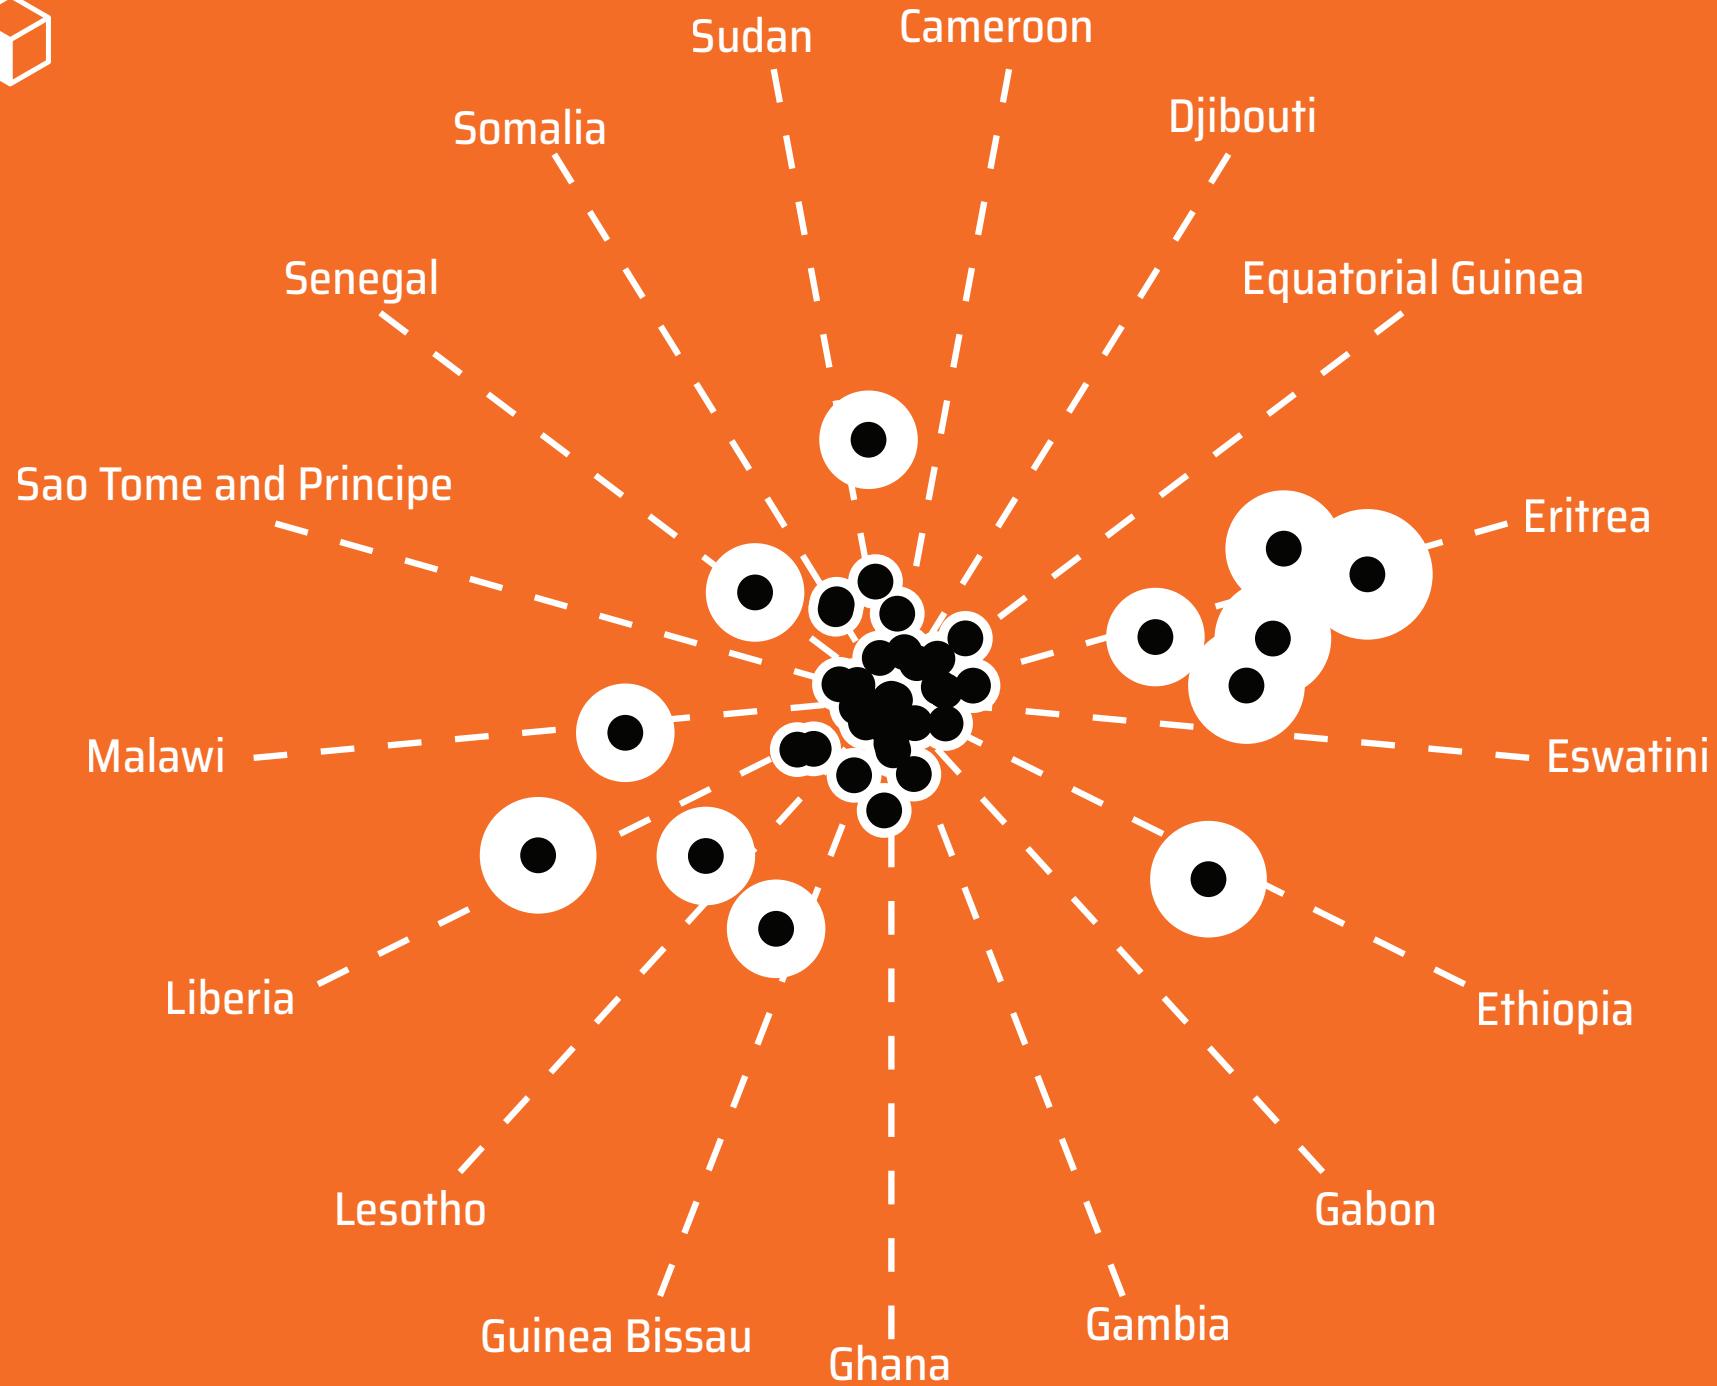

Part 2: Polar coordinates

GOAL 9 : INDUSTRY, INNOVATION & INFRASTRUCTURE

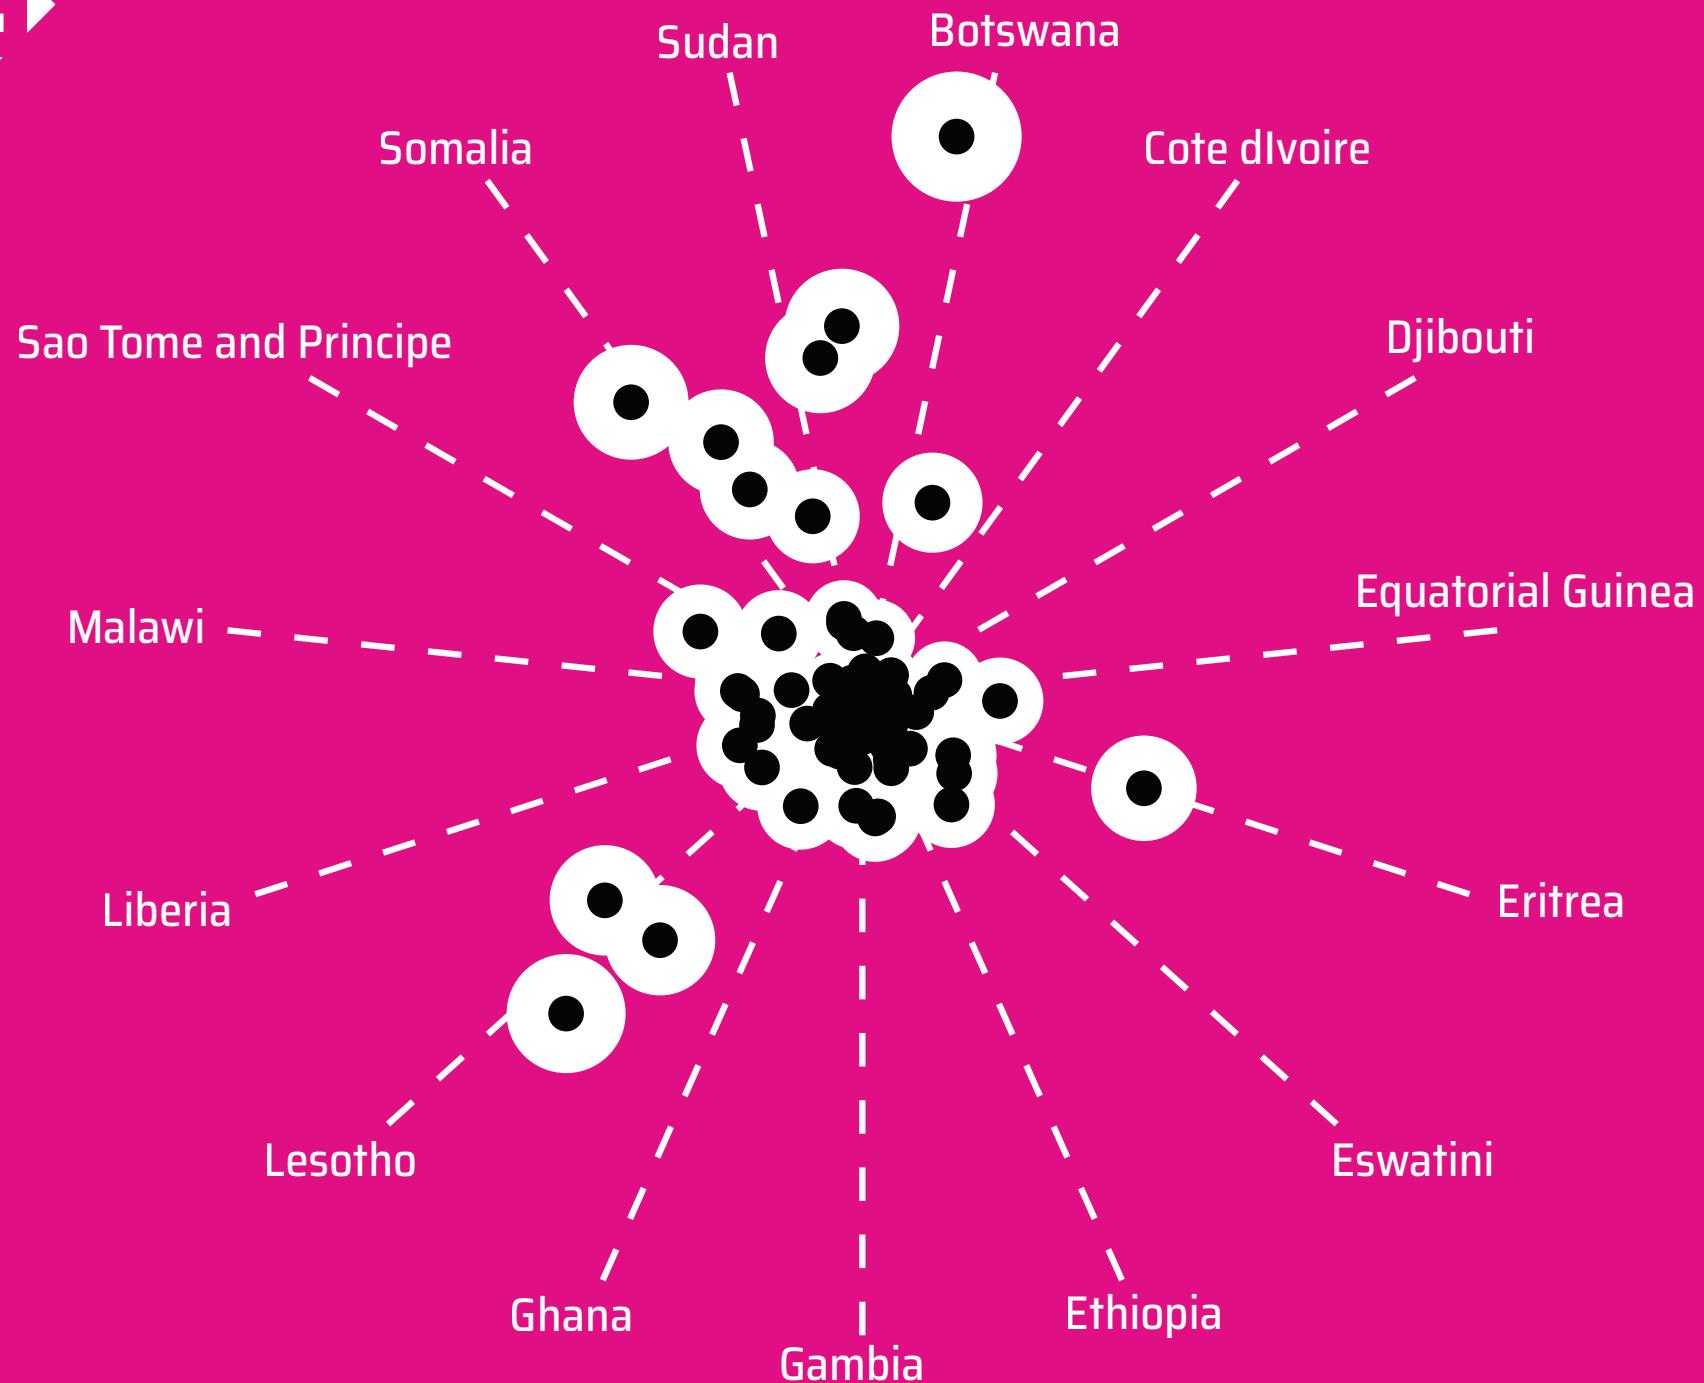

Part 2: Polar coordinates

GOAL 10 : REDUCED INEQUALITIES
