The **Language and Communications Training Unit (LCTU)** at New York Headquarters is happy to announce the opening of registration for the Summer and Fall 2021 terms for language and communications courses offered globally, in all six languages, to eligible participants. The global courses are offered on a variety of training topics and at different levels.

Depending on the duty station you are based in, the following courses offered by the LCTU are available to you:

- If you are based in New York, please see our [LCTU New York Brochure](#).
- If you are based elsewhere, the LCTU encourages you to first take a look at your [local course offerings](#), such as Bangkok, Geneva, Nairobi, Santiago de Chile, Vienna and other locations, which offer a training programme. Additionally, you may see the [LCTU Global Brochure](#).

The New York Summer term will run from **12 July until 20 August 2021**. The New York Fall term will run from **27 September until 3 December 2021**. Please remember to review the “last day to enroll” for each COURSE to ensure you register on time! [Register now](#).

All Summer 2021 courses will be held online. Fall 2021 courses will be held in a combination of online and in-person offerings. The Fall 2021 term will mark a phased return to in-person offerings subject to relevant organizational guidance on the return to premises and taking into account local health and safety conditions.
