

Achieving Financial Well-being Presentation to AFICS/NY 16 May 2022 at 12:00 NY time

The United Nations Federal Credit Union (UNFCU) invites you to an interactive, virtual presentation on steps to improving your financial well-being. We will also provide updates on UNFCU solutions tailored for UN retirees and their family members.

Learn more about:

- The benefits of financial well-being
- Tips on personal financial management
- Digital Banking features and benefits to simplify your life
- Educational resources, including how to protect against fraud

[Register](#)* for the Zoom presentation.

For further assistance, [schedule](#) an individual virtual consultation with a UNFCU representative. You can also visit unfcu.org/contact for more information.

*Note that UNFCU is a US-based financial institution. By participating, you consent to the transfer of your information to the US for UNFCU's use in providing this service. If you do not consent to the transfer, please do not register for this event. Read UNFCU's privacy policy, available at unfcu.org, for more information.
