

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

27 November 2015

Excellency,

In light of the recent adoption of the 2030 Agenda for Sustainable Development and the ongoing revitalization process of the work of the General Assembly as per Resolution 69/321, I have held two informal consultations with the Chairs of the Main Committees and I have also consulted the President of the ECOSOC. Arising out of these consultations, it became clear that there is a need to address synergies, coherence and complementarity of the General Assembly agenda, including all its Committees and the ECOSOC.

In this regard, I would like to ensure the membership of my full commitment to take this process forward. I continue to encourage the Main Committees and the ECOSOC to further contribute with inputs to this process.

I also encourage the Main Committees to individually continue to consider their working methods with a view to making progress.

Please accept, Excellency, the assurances of my highest consideration.
