

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

3 October 2017

Excellency,¹

As per the mandate of General Assembly Resolution 70/262 and Security Council Resolution 2282 (2016) on the review of the UN Peacebuilding Architecture, I will convene a high-level event on efforts undertaken and opportunities to strengthen the United Nations' work on sustaining peace in April 2018.

Information on the format for the event, its concept note and its provisional program will be circulated to all Member States and made available on the President of the General Assembly website (www.un.org/pgs/72). The Office of the President of the General Assembly will hold a briefing session to provide further details on the programme and format for the event in early November.

It is my hope that this high-level event will attract the highest possible level of participation from your Government.

Please accept, Excellency, the assurances of my highest consideration.
