

PROVISIONAL PROGRAMME

Interactive Hearing as part of the preparatory process toward the third High-Level Meeting of the General Assembly on NCDs

5 July 2018
Trusteeship Council Chamber
United Nations Headquarters, New York

10:00-10:30	Opening segment Welcoming remarks by H.E. Mr. Miroslav Lajčák, President of the General Assembly Speakers: <ul style="list-style-type: none">• Dr. Soumya Swaminathan, Deputy Director-General for Programmes, World Health Organization (WHO)• Dr. Sania Nishtar, Co-chair, WHO Independent High-level Commission on NCDs• Mr. James Chau, WHO Goodwill Ambassador for SDGs and Health
10:30-11:45	Panel 1 Scaling up action for the prevention and control of non-communicable diseases This panel will focus on the role of identifying and implementing a specific set of priorities within the overall NCD agenda with a view to implementing effective national responses for the prevention and control of NCDs, including by achieving universal health coverage. According to WHO, prioritization of best buy interventions is key to achieving quick results to help scale up approaches that countries need to implement to achieve SDG target 3.4. The session will also explore good practices to protect vulnerable people from NCDs. Moderator: Dr. Svetlana Axelrod, Assistant Director-General for NCDs and Mental Health, WHO Stakeholder Panelists: <ul style="list-style-type: none">• Dr. Chamari Warnapura, Deputy Medical Director - National Diabetes Centre, Diabetes Association of Sri Lanka• Ms. Katie Dain, CEO, NCD Alliance• Professor Alafia Samuels, Director, George Alleyne Chronic Disease Research Centre, University of the West Indies• Dr. Adam Karpati, Senior Vice President, Vital Strategies

	<ul style="list-style-type: none"> • Dr. Habibe Millat, Member of Parliament, Bangladesh, Chair of IPU Advisory Group on Health <p>Interactive Q&A</p>
<p>11:45-13:00</p>	<p>Panel 2 Financing for the prevention and control of non-communicable diseases</p> <p>NCDs threaten progress towards the 2030 Agenda for Sustainable Development. Developing countries bear a disproportionate burden, and in particular, low- and middle-income countries are increasingly affected with over 80% of premature deaths from NCDs occurring in those countries¹. Greater investment in NCD responses is required. This panel will explore opportunities to attract innovative and traditional funding sources in all countries through domestic, bilateral and multilateral channels.</p> <p>Moderator: Dr. Etienne Krug, Director of the Management of Noncommunicable Diseases, Disability, Violence and Injury Prevention Department, WHO</p> <p>Stakeholder Panelists:</p> <ul style="list-style-type: none"> • Dr. Mukesh Kapila, CEO, Defeat-NCD Partnership • Dr. Ala Alwan, Fellow, Chatham House • Ms. Elizabeth Denyoh, President of the Diabetes Association in Ghana, living with diabetes • Ms. Blanca Llorente, Economist, Pontificia Universidad Javeriana, Colombia <p>Interactive Q&A</p>
<p>15:00-16:20</p>	<p>Panel 3 Promotion of multisectoral partnerships for the prevention and control of non-communicable diseases</p> <p>The panel will explore the opportunities and challenges of engagement with the private sector, academia, civil society, and communities for the prevention and control of non-communicable diseases, taking into account the importance of a whole-of-society approach. Speakers will share experiences, good practices and challenges to reach SDG target 3.4.</p> <p>Moderator: Mr. Doug Webb, Cluster Leader, HIV Health and Development Group, UNDP</p> <p>Stakeholder Panelists:</p> <ul style="list-style-type: none"> • Ms. Johanna Ralston, CEO, World Obesity Federation • Mr. Rocco Renaldi, Secretary-General, International Food and Beverage Alliance
