NATIONS UNIES

NEW YORK

OFFICE OF THE PRESIDENT OF THE GENERAL ASSEMBLY

The Office of the President of the seventy-third session of the General Assembly presents its compliments to the Permanent Missions to the United Nations in New York and has the honour to inform that before the Opening of the General Debate on 25 September 2018, there will be SDG Moment from 08:45 – 08:55 a.m. in the General Assembly Hall.

The SDG Moment is a ten-minute, scripted production focused on the Sustainable Development Goals. The Moment aims to draw the attention of the world leaders to the importance of taking bold action on the SDGs as they prepare to engage with and address one another at the General Assembly and in the General Debate. The Moment will remind leaders that the SDGs are the solution for our common challenges, and the pathway to achieve the world we want by 2030 and also take time to celebrate the significant progress that has been made towards achieving the Goals.

The Moment will feature an introduction by a renowned speaker, and a video produced by an acclaimed film maker. The SDG Moment will end at 08:55 a.m. sharp, to give delegations time to prepare for the opening of the General Debate.

[For more information, please contact Mr. Benjamin Schaare, benjamin.schaare@un.org, UN Office for Partnerships, who are managing the organizational details of this event.]

In this regard, heads of delegations are invited to observe the SDG Moment.

The Office of the President of the seventy-third session of the General Assembly avails itself of this opportunity to renew to the Permanent Missions to the United Nations in New York the assurances of its highest consideration.
