

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

27 February 2019

Excellency,

The General Assembly in its resolution 71/327 of 11 September 2017, entitled "The United Nations in global economic governance", welcomed the practice of informal engagement between the United Nations and intergovernmental groupings that make policy recommendations or take policy decisions with global implications, including the Group of 20, through informal briefings organized at the initiative of the President of the General Assembly, and invited the President of the Assembly to continue this practice by inviting appropriate representatives to an interactive dialogue with the membership of the Assembly in order to ensure continuity in their engagement, with a view to promoting transparency and coherence as well as strengthening mutual understanding and cooperation in matters of global economic governance.

In accordance with this resolution, I have the honour to inform you that I will convene a briefing on Monday, 11 March 2019, from 3:00 to 5:00 p.m. in the Trusteeship Council Chamber. H. E. Ambassador Koji Tomita, Japanese Sherpa of the Group of 20, will brief the membership of the General Assembly about the priorities and plans of the G20 summit to be convened from 28 to 29 June 2019 in Osaka, Japan. He will be joined by Mr. Liu Zhenmin, Under-Secretary-General for Economic and Social Affairs.
