Permanent Mission of Costa Rica
to the United Nations

25 March, 2020

Excellency,

We are writing in our capacity as co-facilitators of the resolution on the modalities of the Summit on Biodiversity.

With reference to our letter of 13 March, we are glad to inform you that following the expiry of the silence procedure no objection was registered on the text of the draft resolution which can be therefore considered final and consensual.

We reiterate to all delegations our appreciation for the spirit of flexibility and the constructive engagement shown throughout the negotiation process.

Please accept, Excellency, the assurances of our highest consideration.
