

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

17 March 2020

Excellency,

Considering the evolving situation regarding the continued spread of COVID-19, the local authorities have issued guidance severely limiting the number of persons attending in-person meetings. In light of the current situation, I sought advice from the United Nations Medical Director, and I have decided that in-person formal meetings of the General Assembly should not be organised at this time. It has, thus, become imperative to explore alternative means to conduct the Assembly's work, particularly as it relates to taking administrative and budgetary decisions related to the Organisation.

Accordingly, given your role as a member of the General Committee, I would welcome your advice on how to conduct the proceedings of the General Assembly in the coming weeks. Please consider the:

- i. Possibility of the General Assembly adopting essential decisions under a silence procedure (see proposed draft decision in Annex A); and
- ii. Possibility of adopting a simple procedure for postponement of meetings (see proposed draft decision in Annex B).

I would be grateful if any advice and comments on these proposals can be received by 6:00 p.m. on 19 March 2020. Such should be forwarded to Mari Skaare, Chef de Cabinet, at mari.skaare@un.org

I wish to avail of this opportunity to express my solidarity with Member States of the General Committee who are fighting COVID-19 and extend my sincere condolences for their loss.

Please accept Excellency, the assurances of my highest consideration.
