

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

22 September 2020

Excellency,

Sequel to the letter dated 26 August, I am pleased to share the list of speakers for the high-level meeting on the twenty-fifth anniversary of the Fourth World Conference on Women to be held on Thursday, 1 October 2020, from 9 a.m. to 7 p.m. This reflects the latest status of registration and level of participating Member States for the high-level meeting.

In accordance with decision 74/562, the President of the General Assembly is to finalize the other organizational arrangements for the high-level meeting. Introductory remarks by the representative who is physically present will be optional. Given the large number of speakers inscribed, it will be presumed that delegations will not be introducing their respective pre-recorded statements; rather the presiding officer will introduce the pre-recorded statements. Delegations are urged to keep to stipulated time limits (three minutes for individual statements and five minutes for group statements) to provide maximum opportunity to exhaust the speakers' list.

Any delegation that intends to introduce its pre-recorded statement should communicate this in writing to Mr. Martin Vrstiak (vrstiak@un.org) by 25 September 2020.

In order to limit the footprint and number of people in the United Nations Headquarters complex, physical access and presence in the General Assembly Hall will be limited to one representative per Member State and observer State and for the European Union. The final risk assessment and mitigation measures will be communicated shortly.

Please accept, Excellency, the assurances of my highest consideration.
