

22 January 2021

Excellency,

Sequel to my letter dated 5 January 2021, I am writing to inform you that the meeting for the G20 Sherpa of Italy to brief the General Assembly on the priorities of the G20, previously scheduled for 27 January 2021, will need to be deferred.

In light of the significance of the G20's work, particularly in the context of the COVID-19 pandemic's impacts, I intend to reschedule this briefing as soon as possible. Further updates will be circulated in due course

Please accept, Excellency, the assurances of my highest consideration.
