

8 February 2021

Excellency,

I have the honour to inform you that, following requests and interest from a number of Member States, I will convene a virtual informal meeting of the General Assembly on COVID-19-related business continuity issues on Wednesday, 10 February 2021, from 11:30 a.m. to 1 p.m., via the Cisco WebEx virtual platform. Information providing guidance on how to register for the virtual meeting will be provided by the Secretariat shortly.

This informal meeting seeks to enhance the transparency of the work of the United Nations and to provide an opportunity for delegations to be able to hear from and interact with myself, each other and the Secretariat on issues related to the use of the UN Headquarters.

Given the importance of the issue of business continuity to the ongoing work of the General Assembly and the United Nations in New York, I encourage your personal participation in the informal meeting.

Please accept, Excellency, the assurances of my highest consideration.
