

PRESIDENT OF THE GENERAL ASSEMBLY

2 December 2021

Excellency,

Further to my letter dated 6 October and 29 November 2021, I have the honour to circulate the final program of the one-day supporting event which is taking place on 3 December 2021 at the General Assembly Hall, United Nations Headquarters in New York. This one-day supporting event is part of the preparatory process for the General Assembly High-level Meeting on Global Road Safety to be held on 30 June and 1 July 2022.

The supporting event will include in-person statements, pre-recorded video messages and virtual live participation by speakers and panellists. Due to the interactive nature of the discussions, there will be no pre-established list of speakers for the supporting event. Delegates will be invited to take the floor by pressing the microphone button at their desks in the General Assembly Hall. The event will be webcast through UN WebTV.

The event will consist of opening and closing sessions and four interactive, moderated panel discussions. To allow for the broadest possible participation in the interactive dialogue, moderators would request all delegates to keep their interventions brief and concise.

For further information about the event, kindly contact Mr. Shaoxuan Liu, Adviser, Sustainable Development, at shaoxuan.liu@un.org in my office.

Please accept, Excellency, the assurances of my highest consideration.

A handwritten signature in blue ink, appearing to read "Abdulla Shahid".

Abdulla SHAHID

All Permanent Representatives and
Permanent Observers to the United Nations
New York
