Excellency,

In the wake of the sudden spike in the number of COVID-19 cases around the world and in New York city and with a view to mitigate the risk of spreading the virus while maintaining business continuity, I have decided to postpone the High-level Thematic Debate entitled, “**Galvanising Momentum for Universal Vaccination**”, scheduled on Thursday, 13 January 2022, in the General Assembly Hall, United Nations Headquarters to a later date.

Please accept, Excellency, the assurances of my highest consideration.
