

Geneva, 14 April 2022

Excellency,

I have the honour to share with you the attached Note Verbale with respect to the GCM Follow-Up and Review Window of the Migration Multi-Partner Trust Fund.

The GCM Follow-Up and Review Window was established following the request in A/RES/73/326 on the *Format and organizational aspects of the international migration review forums*, for the Secretary-General to facilitate the participation of representatives of developing countries, particularly the least developed countries, and relevant stakeholders in the International Migration Review Forum (IMRF).

The Note Verbale both solicits contributions from Member States to the GCM Follow-Up and Review Window of the Migration MPTF, as well as calls for requests to receive such travel support. To date, we have received some indications of possible support from stakeholders, but await concrete commitments from Member States to provide such funding.

The attached Note Verbale has already been circulated with Permanent Missions in both Geneva and New York, however I would be grateful if your Office could also share this with Member States in the hopes that it would encourage contributions of support.

I look forward to our continuing cooperation on the preparations for the IMRF.

Please accept, Excellency, the assurances of my highest consideration.

Coordinator, United Nations Network on Migration
