Excellency,

I have the honour to share herewith the summary of the informal interactive dialogue of the General Assembly on **Commodity Markets**, which was held on 31 March 2022, pursuant to General Assembly resolution 76/194.

The summary details key aspects of the remarks delivered during the opening segment, presentations made by representatives of UNCTAD and FAO on commodity trends and prospects, discussions during the two expert panels, and general statements made by Member States.

I hope this summary and the presentations made during the dialogue will benefit our collective efforts to support and accelerate the sustainable development of commodity dependent countries.
