

PRESIDENT OF THE GENERAL ASSEMBLY

03 May 2022

Excellency,

Further to my letter dated 29 April 2022 regarding the High-Level Thematic Debate on “**Putting sustainable and resilient tourism at the heart of an inclusive recovery,**” to be held on Wednesday, 4 May 2022, at the UN Headquarters in New York, I have the honour to circulate herewith the final programme, also available on the event webpage <https://www.un.org/pga/76/tourism/>

For planning purposes, Member States and Observers were invited to indicate their interest to intervene in any of the three multi-stakeholder roundtables, indicating their first, second and third preference. Based on the responses received, I am pleased to circulate herewith the list of envisaged participants, as well as delegations that have indicated interest to intervene, organized alphabetically and by level of participation. The lists also include United Nations system entities and other stakeholders. Delegations are encouraged to inform the General Assembly Affairs Branch (GAAB) of the Secretariat of any change to the level of participation in any particular interactive dialogue.

Kindly note that there will be **no pre-established list of speakers** and the registration of interest to speak is for planning purposes only. Delegations wishing to speak **will have to press the microphone button** when the floor is open for interventions. Time permitting, additional speakers from the floor will be accommodated. The **time limit for statements will be three minutes for individual delegations**. Full-length statements can be submitted to the Secretariat (estatement@un.org) to be posted on “eStatements” in the United Nations Journal.

I thank all delegations for their engagement and look forward to full participation in tomorrow’s High-Level Thematic Debate.

Please accept, Excellency, the assurances of my highest consideration.
