

PRESIDENT OF THE GENERAL ASSEMBLY

16 May 2022

Excellency,

To help maximize the impact and continued attention to the work of the General Assembly, as well as to help delegations and the UN system to plan ahead, I have the honour to circulate herewith a **consolidated list of future high-level and commemorative meetings, events, and briefings as mandated by the General Assembly for its 77th session and beyond**, as well as some of the relevant United Nations Conferences and other meetings. This information will also be posted on my website and updated when necessary.

To help building on progress achieved during the current session, as well as smooth transition between the sessions, I will be glad to share some of the best practices, lessons learned, new opportunities and challenges in organizing such meetings in the handover report of my Presidency of Hope, which I will transmit to my successor, as well as the UN membership at the end of my tenure.

Please accept, Excellency, the assurances of my highest consideration.
