Permanent Mission of Sweden
to the United Nations, New York

15 July 2022

Excellency,

We wish to refer to the letter dated 6 July 2022 from the Co-Facilitators, Ambassador Martin Kimani of Kenya and Ambassador Anna Karin Eneström of Sweden communicating the intent to hold an informal meeting on 15th of July to present the attached zero draft on Financing for Peacebuilding.

The zero draft captures outcomes from the informal consultations we conducted with Regional Groups and Member States to discuss possible elements for a negotiated outcome document.

We would like to once again express our appreciation to the President of the General Assembly for the trust and confidence placed on us to facilitate this important and timely process.

We re-affirm our availability for consultations throughout the process ahead of us to ensure it remains inclusive, transparent, consultative and member state driven. We look forward to the active participation and constructive engagement of all delegations both in consultations, meetings of the whole and the entire session of the intergovernmental process with the aim of a clear, action-oriented, and focused outcome resolution on financing for peacebuilding.

Please accept, Excellency, the assurances of our highest consideration.

Martin Kimani
