

PRESIDENT OF THE GENERAL ASSEMBLY

18 July 2022

Excellency,

Pursuant to my letter dated 30 June regarding the High-level Thematic Debate entitled “**Moment for Nature**” to be held on Tuesday, **19 July 2022** in the **General Assembly Hall**, United Nations Headquarters, I have the honour to enclose herewith **the final programme**.

In order to facilitate engaging and meaningful discussions, there will not be a pre-established list of speakers. Moderators for each segment will engage directly with delegations and stakeholders from the floor. Delegations wishing to take the floor should press the microphone button on the console before them when the interactive segments begin. Given the time limitations, delegations are encouraged to intervene in only one segment, and to limit interventions to three minutes.

I continue to count on your support, as well as that of the broader UN system, civil society, and all relevant stakeholders, in securing an impactful outcome from the Moment for Nature to help secure the future we want.

For further information on the meeting, you may contact Mr. Fakaso Tealei, Sustainable Development Team Leader fakaso.tealei@un.org, and Mr. Mohammed Shaker, Senior Adviser on Sustainable Development mohammed.shaker@un.org, at my Office.

Please accept, Excellency, the assurances of my highest consideration.

A handwritten signature in blue ink, appearing to read 'Abdulla Shahid', written over a horizontal line.

Abdulla SHAHID
