

PRESIDENT OF THE GENERAL ASSEMBLY

19 October 2022

Excellency,

I have the honour to refer to General Assembly resolution 73/3 of 18 October 2018 entitled “Political declaration of the high-level meeting of the General Assembly on the fight against tuberculosis”, by which the General Assembly decided to hold a comprehensive review by Heads of State and Government at a high-level meeting in 2023.

In this regard, I have the honour to inform you that I have appointed H.E. Mr. Krzysztof Szczerski, Permanent Representative of the Republic of Poland to the United Nations and H.E. Mr. Bakhtiyor Ibragimov, Permanent Representative of the Republic of Uzbekistan to the United Nations to co-facilitate an open and transparent consultative process to finalize the proposed modalities and outcomes of the high-level meeting.

It is my conviction that the consultations on this important agenda should be based on scientific evidence and data, and I would strongly encourage Member States to consider, during their consultations, all that science can offer to build a shared knowledge base and bring a common understanding.

In an effort to bring greater coherence to the work of the General Assembly, I intend to invite the co-facilitators to brief the General Committee on a regular basis.

I would like to thank Ambassador Szczerski and Ambassador Ibragimov for having accepted this very important responsibility. I trust that you will extend your full support and cooperation to them throughout the negotiation process.

Please accept, Excellency, the assurances of my highest consideration.
