Explanatory Note:

General Assembly Resolution A/RES/60/180 requests the Secretary-General to compile a list of the top ten providers of assessed and voluntary financial contributions to the United Nations, based on the average annual contributions in the previous three calendar years. The President of the General Assembly requested the Secretary-General on 6 October 2022 to provide this list.

The table provided above summarizes data streams comprised of returns from the following categories and organizations: UN assessed contributions, UN voluntary contributions, UN Secretariat, DPO, CTBTO, FAO, IAEA, ICAO, ICC, IFAD, ILO, IMO, IOM, ITC, ITU, PAHO, UN, UNAIDS, UNCDF, UNDP, UNEP, UNESCO, UNFCCC, UNFPA, UN-HABITAT, UNHCR, UNICEF, UNIDO, UNITAR, UNODC, UNOPS, UNRWA, UNU, UPU, UNSSC, UN Women, UNWTO, WFP, WHO, WMO, WIPO, WTO, global funds administered by the MPTFO.

As provided for in General Assembly resolution A/RES/60/180, any contributions received towards the Peacebuilding Fund in the period 2019-2021, have also been included.

This list reflects virtually all significant financial contributions to the UN for the top ten contributors over the qualifying three-year period, namely 2019, 2020 and 2021. Information was solicited from existing data sources managed by the Chief Executives Board and the Multi Partner Trust Fund Office.

A gap in the average annual contribution of approximately \$235 million separates the 11th from the 10th largest contributor.
