New York, 1 February 2023

Excellency,

With reference to our letter dated 27 January 2023, it is our great pleasure to inform you that the silence procedure on the draft resolution “Scope, modalities, format and organization of the High-Level Meeting on Tuberculosis” **has successfully concluded without any objection.**

We would like to once again extend our sincere gratitude to all delegations for their continued support, constructive engagement, and utmost flexibility throughout the negotiation process. This is a clear demonstration of strong commitment of all to ensuring the success of the HLM on TB and mobilizing efforts to end the tuberculosis epidemic.

We will therefore present this final consensual text to the President of the United Nations General Assembly, for its formal adoption.

We further thank the President of the General Assembly for bestowing upon us the honor to represent him in this process.

We remain fully committed to ensuring the effectiveness of the remaining preparation process of the HLM on TB, particularly facilitating the timely, transparent and inclusive intergovernmental consultations on its outcome document.

Please accept, Excellency, the assurances of my highest consideration.
