PERMANENT MISSION
OF SOUTH AFRICA
TO THE UNITED NATIONS

27 June 2023

Excellency,

In our capacity as the co-facilitators of the preparatory process for the High-level Dialogue on Financing for Development of the General Assembly, which will take place on 20 September 2023, we have the honour to transmit herewith the final outline for the scope, format and programme of the High-level Dialogue.

This final outline takes the form of a concept note and is the result of broad, transparent and inclusive consultations with Member States and engagement with other stakeholders. We are confident that it reflects the views expressed in a balanced manner and that it will help make the High-level Dialogue on Financing for Development a meaningful platform allowing Member States and other stakeholders to express themselves and to make commitments to close the Sustainable Development Goals financing gap. As indicated in the concept note, the High-level Dialogue will take place under the overarching theme: *Financing the SDGs for a world where no one is left behind*.

It is foreseen that an information note providing further information on the registration of speakers for the High-level Dialogue will be circulated in due course. All relevant information will be published on the website of the High-level Dialogue: <https://www.un.org/esa/ffd/ffddialogue2023/>.

We remain at your disposal to continue supporting the preparations for a successful High-level Dialogue on Financing for Development. We would like to take this opportunity to thank you for entrusting us with this important responsibility at a crucial time for the Financing for Development agenda.

Please accept, Excellency, the assurances of our highest consideration.
