Excellency,

We are honored to write to you in our capacity as Co-facilitators of the modalities and outcome of the intergovernmental preparatory process leading up to the “World Social Summit” in 2025, under the title “the Second World Summit for Social Development”.

In line with your letter dated 4 March 2024, we are committed to facilitating the negotiation process in an open, inclusive and transparent manner with a view to producing a modalities resolution and outcome, which should be a short and concise political declaration adopted by consensus, and which should have a social development approach and give momentum towards the implementation of the 2030 Agenda. We are, equally, devoted to ensuring that all relevant stakeholders can participate and engage meaningfully in this process.

**Following our letter circulated on April 24<sup>th</sup>, 2024, we are honored to attach herewith, the zero draft of the modalities resolution of the “World Social Summit” in 2025, under the title “the Second World Summit for Social Development”.**

As previously announced, the presentation and first reading of the Zero Draft will take place on **Tuesday 7 May 2024, from 10 to 1 PM in Conference Room 11**. We expect to hear initial feedback and concrete comments and proposals in the room.
