Excellency,

Please find attached, the revised provisional list of speakers for the general debate of the seventy-ninth session of the General Assembly.

This revised list of speakers has been prepared by taking into account the changes in the level of representation (upgrades and downgrades) and reflects exchanges among Member States.

I would like to take this opportunity to emphasize that, in accordance with existing practice at the general debate, a voluntary 15-minute time limit should be observed, and the list of speakers has been prepared on the basis of a 15-minute statement by each delegation.

Updating of this list will continue until the start of the general debate if changes are communicated by Member States. The final list of speakers for each day will be published in the *Journal of the United Nations*.

Please accept, Excellency, the assurances of my highest consideration.
