

BUREAU DU PRÉSIDENT

OFFICE OF THE PRESIDENT

18 October 2024

Excellency, *Dear President*

First, allow me to congratulate you on being elected President of the 79th session of the General Assembly and for holding a successful High-Level Week and Summit of the Future. I very much look forward to meeting you during my upcoming visit to New York and exchanging experiences and views on the work of the General Assembly and the Human Rights Council.

I have the honour to refer to the good practice initiated by my predecessor last year, whereby the President of the Human Rights Council shares with the President of the General Assembly the summary of each session of the Human Rights Council, with the view to creating more synergies between the Human Rights Council in Geneva and the General Assembly in New York.

In that spirit, allow me to provide you with the hereby enclosed summary document of the 57th session, which took place from 9 September to 11 October 2024. My hope is that the increased exchange of information will positively contribute to a better use of capacities and resources within the United Nations system as well as of outcomes of the important work of Member and Observer States and other stakeholders undertaken during the session.

I would be grateful for your kind consideration to share the summary document with the Members States of the General Assembly and other concerned stakeholders, including New York-based civil society representatives.

Please accept, Excellency, the assurances of my highest consideration.
