18 December 2024

Excellency,

I have the honour to refer to General Assembly resolution 73/2 of 10 October 2018, by which the General Assembly recommended to convene a high-level meeting in 2025 on a comprehensive review of the progress achieved in the prevention and control of non-communicable diseases and the promotion of mental health and well-being.

In this regard, I have further the honour to inform you that I have appointed H.E. Mr. Olivier Maes, Permanent Representative of Luxembourg and H.E. Ms. Inga Rhonda King, Permanent Representative of Saint Vincent and the Grenadines to lead an intergovernmental process to prepare for the high-level meeting, in accordance with resolution 73/2.

I wish to thank Ambassador Maes and Ambassador King for accepting this responsibility and encourage them to work with all Member States and engage with all relevant stakeholders in the consultations.

I trust that you will extend your full support throughout the intergovernmental process.

Please accept, Excellency, the assurances of my highest consideration.
