2 April, 2014

Excellency,

Pursuant to Resolution A/Res/68/279 on the Modalities for the Third International Conference on Financing for Development, the Second Drafting Session will be convened at the United Nations Headquarters in New York from 13 to 17 April 2015.

The Second Drafting Session will afford delegations the opportunity to provide views on the Zero Draft of the Addis Ababa Outcome Document.

In order to fulfill the expressed mandate of finalizing negotiations on the outcome document by June, we consider that it will be important to complete, at minimum, a full first reading of the Zero Draft during the session. To this end, if need be, evening sessions will be considered. In addition, to facilitate the completion of the full reading of the text, we encourage all delegations to submit their comments on the Zero Draft in writing in advance of the session.

We look forward to your continued support for the Financing for Development Process and assure you of our highest consideration.
