Supplementary information to the report of the Secretary-General on special measures for protection from sexual exploitation and abuse (A/77/748)

The information presented below provides additional details on allegations of sexual exploitation and abuse reported in United Nations peacekeeping and special political missions only, to be viewed in conjunction with the information contained in paragraphs 55 to 63 in the report of the Secretary-General on special measures for protection from sexual exploitation and abuse (A/77/748).

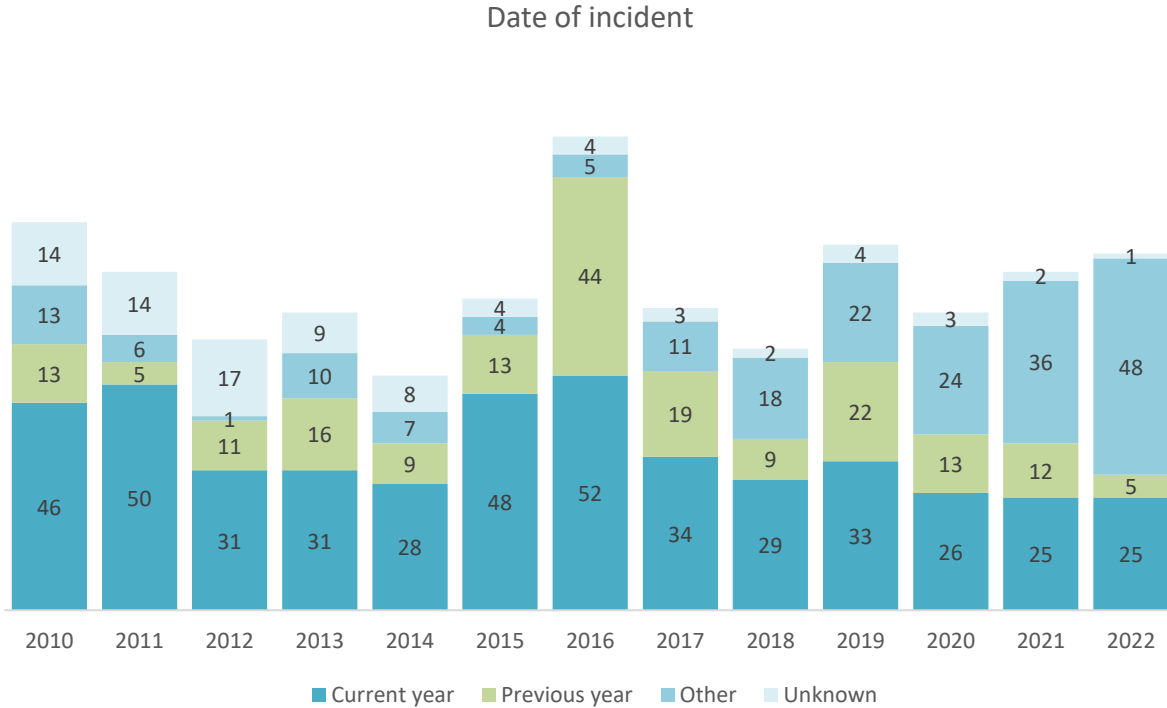

This graph presents the evolution over time in the number of allegations reported against the number of victims associated with such allegations each year. A general trend towards a decrease in the number of victims involved when compared with the total number of allegations, from a high in 2016, can be observed.

Allegations and identified victims by age group

Supplementary information to the report of the Secretary-General on special measures for protection from sexual exploitation and abuse (A/77/748)

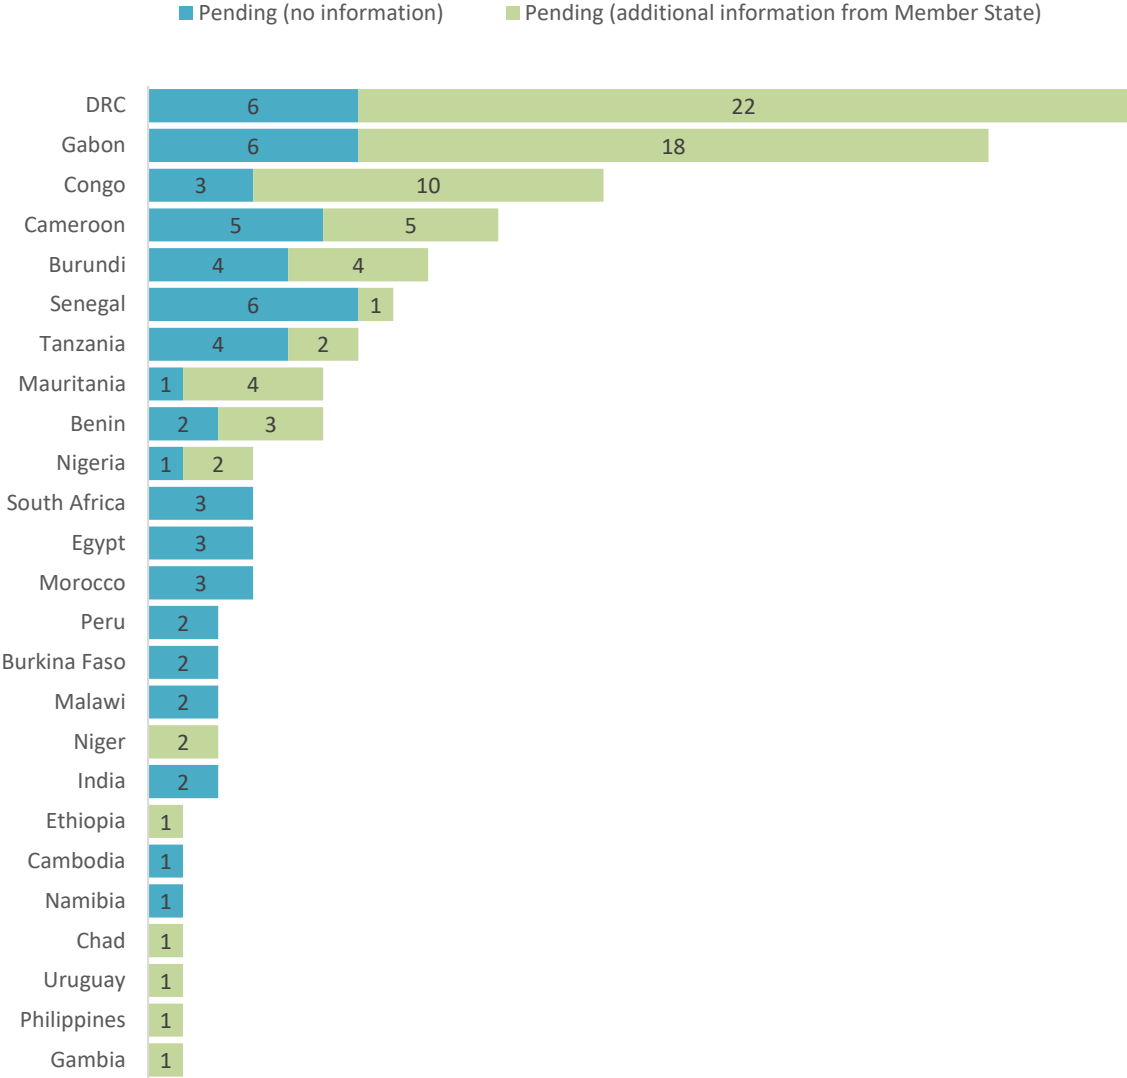

This graph presents information on when events associated with allegations received in any given year are reported to have taken place. A general trend can be observed, indicating that a lesser number of allegations being reported in recent years are associated with events in the same or previous year.

Supplementary information to the report of the Secretary-General on special measures for protection from sexual exploitation and abuse (A/77/748)

This graph identifies Member States from whom information is still awaited on results of investigations to be completed by them for allegations reported in 2021 or earlier. The first three Member States no longer deploy troops in United Nations peace operations. There was a significant reduction in the number of pending matters involving Cameroon.

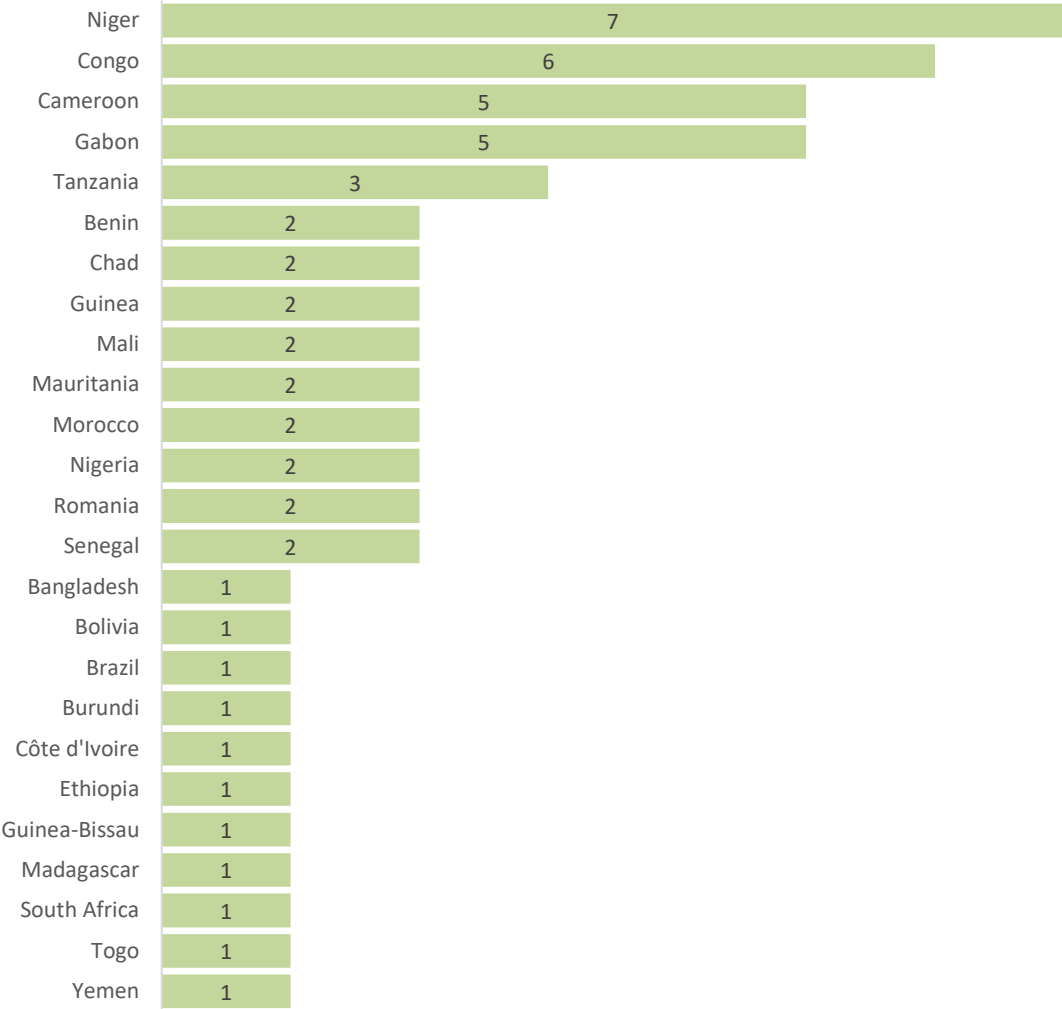

Pending investigations by Member State

Supplementary information to the report of the Secretary-General on special measures for protection from sexual exploitation and abuse (A/77/748)

This graph identifies Member States from whom information is still awaited on results of disciplinary or criminal accountability measures taken when allegations were found to be substantiated by an investigation, for allegations reported in 2021 or earlier.

Pending accountability measures by Member State

Supplementary information to the report of the Secretary-General on special measures for protection from sexual exploitation and abuse (A/77/748)

This graph identifies Member States from whom information is still awaited on measures taken to establish paternity and, when established, to ensure that child support is provided, for allegations reported between 2010 and 2022. Nigeria has addressed a number of its previously pending claims in 2022, whereas recently reported allegations involving South Africa have resulted in an increase in the number of their pending claims.

Pending individual paternity claims by Member State
