National Blue Agenda Actions Partnership

Background

National and Global Blue Agenda

- **Medium-Term National Development Plan 2020 – 2024** (Presidential Decree 18/2020);
- **Indonesia Ocean Policy** (Presidential Decree 34/2022) **align with global agenda programs** such as the Ocean Decade to ecosystem restoration, SDGs (**Life Below Water, Partnership For The Goals**), Small Fisheries and the UN Decade of Ocean Science

Gaps and Challenges

- There is a **gap between the current conditions and the national development target by 2024** in particular of blue (ocean) agenda
- **Indonesia is an archipelagic country and about 75% of its territories is covered by Ocean is request specific ocean governance**

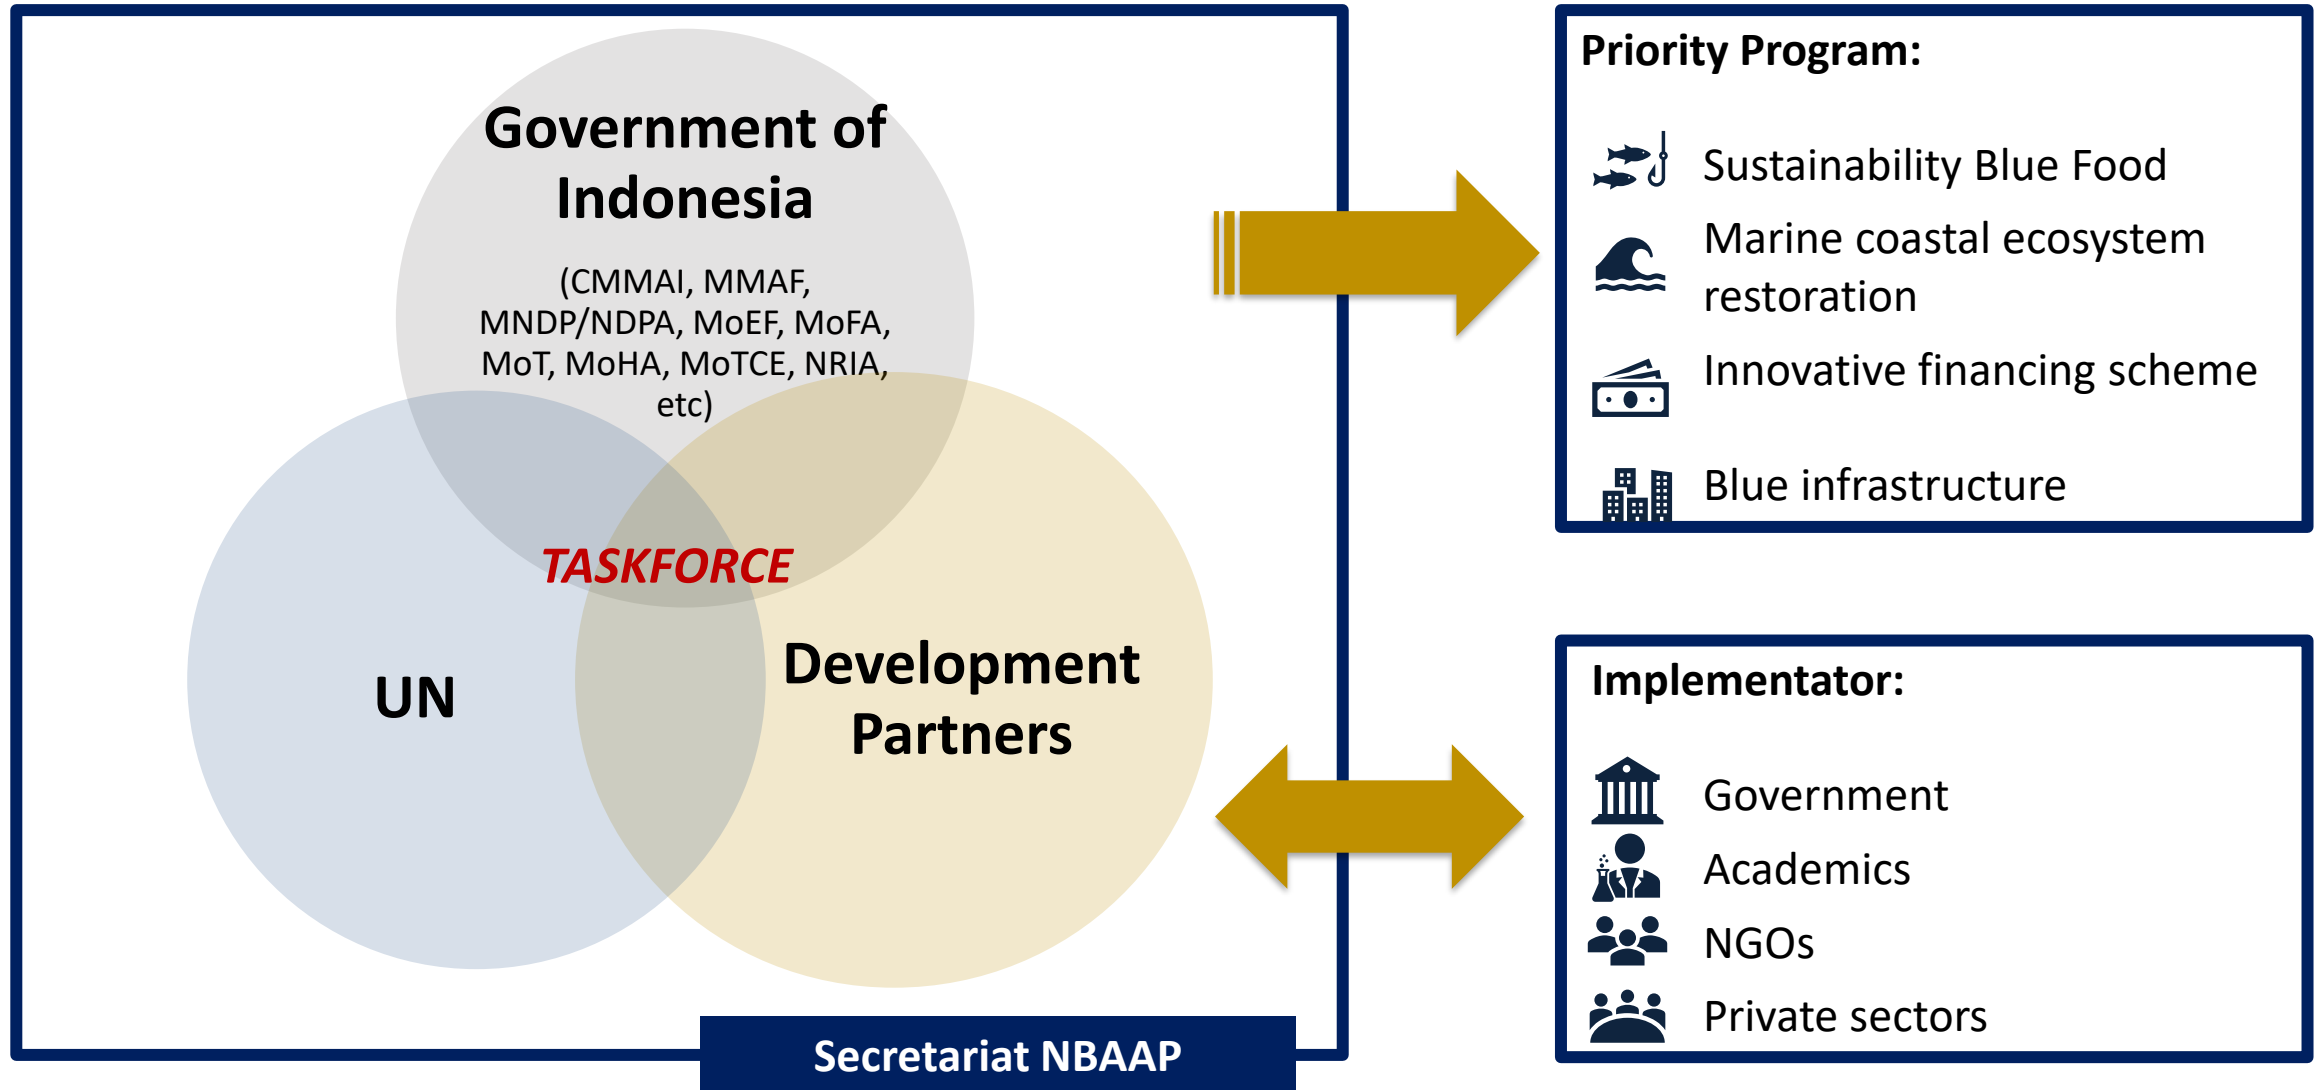

Multi Stakeholders Partnership

- NBAAP aims to assist the **acceleration of progress to achieve the GoI's development targets on Blue Agenda** at the National Medium-Term Development Plan (RPJMN) 2020-2024 to maintain a sustainable balance of ecology and economy in the utilization of marine resources

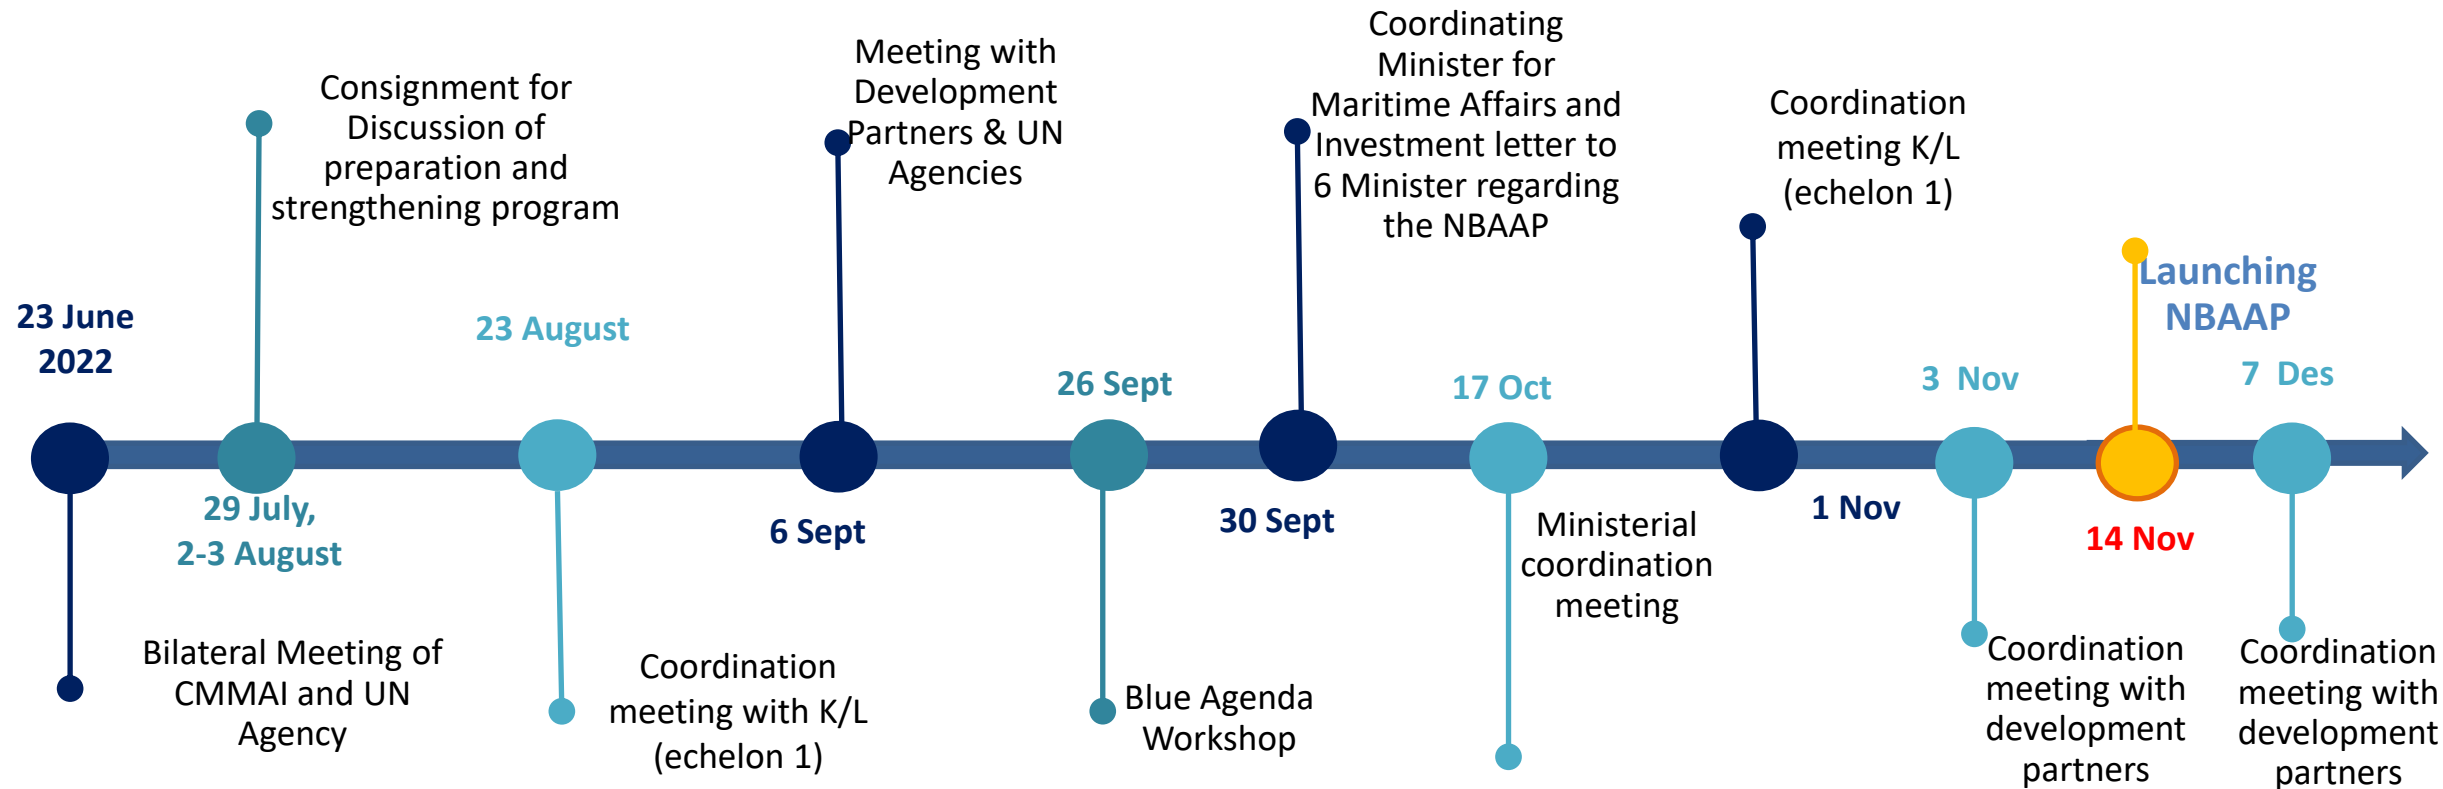

National Blue Agenda Partnership Scheme

Roadmap: Development National Blue Agenda Partnership (NBAAP)

NBAAP is a partnership that requires synergy and collaboration at national and regional levels to support achievement in National Medium-Term Development Plan (RPJMN) targets for maritime sectors and Indonesian Ocean policy (KKI).
