Its functions were modified by resolutions 1390 (2002) of 16 January 2002, 1526 (2004) of 30 January 2004, 1617 (2005) of 29 July 2005, 1730 (2006) of 19 December 2006, 1735 (2006) of 22 December 2006, 1822 (2008) of 30 June 2008, 1904 (2009) of 17 December 2009, 1989 (2011) of 17 June 2011, 2083 of 17 December 2012, 2161 of 17 June 2014 and 2253 (2015) of 17 December 2015. For the purposes of these guidelines, the ISIL (Da'esh) and Al-Qaida Sanctions Committee shall hereinafter be referred to as "the Committee."
- (b) The Committee is a subsidiary organ of the Security Council and will consist of all Members of the Council.
- (c) The Chair of the Committee will be appointed by the Security Council to serve in his/her personal capacity. The Chair will be assisted by two delegations who will act as Vice-Chairs, and who will also be appointed by the Security Council.
- (d) The Chair will chair meetings of the Committee. When he/she is unable to chair a meeting, he/she will nominate one of the Vice-Chairs or another representative of his/her Permanent Mission to act on his/her behalf.
- (e) The Secretariat of the Committee will be provided by the Secretariat of the United Nations.

2. Mandate of the Committee

The mandate of the Committee shall be, on the basis of the measures imposed by paragraph 4 (b) of resolution 1267 (1999), paragraph 8 (c) of resolution 1333 (2000), paragraphs 1 and 2 of resolution 1390 (2002), and paragraphs 1 and 4 of resolution 1989 (2011) as reiterated in paragraph 1 of resolutions 1526 (2004), 1617 (2005), 1735 (2006), 1822 (2008), 1904 (2009), 2083 (2012), 2161 (2014) and paragraph 2 of resolution 2253 (2015), to undertake the tasks and to report on its work to the Council with its observations and recommendations as prescribed by the resolutions outlined above.

3. Meetings of the Committee

- (a) Meetings of the Committee, both formal and informal, will be convened at any time the Chair deems necessary, or at the request of a Member of the Committee. To the extent possible, four working days notice will be given for any meeting of the Committee, although shorter notice may be given in urgent situations.
- (b) The Committee will meet in closed sessions, unless it decides otherwise. The Committee may invite any Member of the United Nations to participate in the discussion of any question

brought before the Committee in which interests of that Member are specifically affected. The Committee will consider requests from Member States and relevant international organizations to send representatives to meet with the Committee as described in section 14, paragraph (e). The Committee may invite members of the Secretariat or other persons to provide the Committee with appropriate expertise or information or to give it other assistance in examining matters within its competence.

- (c) When an informal meeting is convened on a potentially sensitive matter, the Chair will liaise with concerned Committee members ahead of the meeting.
- (d) The Committee may invite members of the Monitoring Team established pursuant to paragraphs 6 and 7 of resolution 1526 (2004), and/or the Ombudsperson to attend meetings as appropriate.
- (e) When the Committee considers a delisting request submitted to the Ombudsperson, the Chair shall invite the Ombudsperson, aided by the Monitoring Team, as appropriate, to present his/her Comprehensive Report in person and answer Committee Members' questions regarding the request.

4. Decision-making

- (a) The Committee shall make decisions by consensus of its Members. If consensus cannot be reached on a particular issue, including listing and delisting, the Chair should undertake such further consultations as may facilitate agreement. If after these consultations consensus still cannot be reached the matter may be submitted to the Security Council by the Member concerned. The provisions of this paragraph are without prejudice to the special procedures stipulated in paragraphs 56 and 63 of resolution 2253 (2015).
- (b) Decisions will be taken by a written procedure. In such cases the Chair will circulate to all Members of the Committee the proposed decision of the Committee, and will request Members of the Committee to indicate any objection they may have to the proposed decision within five full working days except as otherwise provided for in the Guidelines or a relevant resolution, or, in urgent situations, such shorter period as the Chair shall determine.
- (c) Listing and delisting requests, together with all relevant information in accordance with the guidelines, as assessed by the Chair, shall be considered in accordance with section 6 paragraph (n) and section 7 paragraph (f) respectively. If no objection is received by the end of the specified period, the decision will be deemed adopted.
- (d) Communications submitted to the Committee pursuant to paragraph 1 of resolution 1452 (2002) shall be considered in accordance with the procedure determined by that resolution, as revised by resolutions 1735 (2006), 2083 (2012), 2161 (2014) and 2253 (2015).
- (e) Subject to paragraphs 4 (j) and (k), and in the absence of any objection being indicated within the specified period for the decision provided for in paragraph 4 (b), a Committee Member may request more time to consider a proposal by placing a hold on the decision. For the duration of the validity of any hold placed on a matter, the decision on that matter will be considered "pending". The Secretariat shall notify the Committee as soon as a decision becomes pending, include the matter in the list of pending issues and inform the State(s) submitting the request or, where appropriate, the Ombudsperson or the Focal Point that the matter is still under the Committee's consideration. For so long as a matter is included on the list of pending issues, any Committee Member may place its own hold on that matter. The Secretariat shall notify the Committee as soon as a hold is placed on a pending matter.
- (f) If a holding Committee Member requires additional information to resolve the pending matter, it may ask the Committee to request additional information on that specific matter from the State(s) concerned.
- (g) A holding Committee Member shall provide updates after three months on its progress in resolving the pending matter.

- (h) Subject to paragraphs 4 (j) and (k), a matter will remain on the list of pending issues until either:
 - (i) one Committee Member with a hold on the matter indicates that they object to the proposed decision; or
 - (ii) all Committee Members with holds placed on the matter lift those holds without indicating an objection to the proposed decision.
- (i) If all holds placed on a matter are lifted before 12:00 (noon, EST) on any given working day within the timeframe established in paragraphs 4 (j) and (k), the Secretariat shall immediately take the necessary steps, including updating the ISIL (Da'esh) and Al-Qaida Sanctions List that same day, and inform the State(s) concerned and, where appropriate, the Ombudsperson or the Focal Point, about the Committee's decision. If all holds placed on a matter are lifted after 12:00 (noon, EST) on any given working day within the timeframes set out in paragraphs 4(j) and (k), the Secretariat shall take the necessary steps, including updating the ISIL (Da'esh) and Al-Qaida Sanctions List the following working day, and inform the State(s) concerned and, where appropriate, the Ombudsperson or the Focal Point, about the Committee's decision.
- (j) The Committee shall ensure that no matter is left pending for a period longer than is provided for by a relevant resolution, or, where no time for a decision is provided for by a resolution, then six months from the end of the original no-objection period. At the end of the relevant period, and without prejudice to the provisions set out in paragraph 4 (a) above, a matter still pending shall be deemed approved.
- (k) For matters where no time for a decision is provided for by a resolution, and before the expiry of the six month period referred to above, a holding Committee Member may request additional time to consider the proposal on the basis that extraordinary circumstances exist, under a no-objection procedure which can be shortened upon request of the holding member. In such cases, the Committee may extend the time for consideration by up to three months from the end of the six month period. At the end of this additional period and if an objection is not placed, a matter still pending shall be deemed approved.
- (l) The Secretariat will circulate to the Committee the Holds List every month.
- (m) The Committee will review once a month, as necessary, the Holds List/status of pending issues as updated by the Secretariat, including updates provided by Committee Members.
- (n) A hold placed on a matter by a Member of the Committee will cease to have effect at the time its membership of the Committee ends. New Members shall be informed of all pending matters one month before their membership of the Committee begins.

5. The ISIL (Da'esh) and Al-Qaida Sanctions List

- (a) The Secretariat will update regularly the ISIL (Da'esh) and Al-Qaida Sanctions List when the Committee has agreed to include or delete relevant information in accordance with the procedures set out in these guidelines.
- (b) The updated ISIL (Da'esh) and Al-Qaida Sanctions List will be made available on the website of the Committee in all official languages of the United Nations on the same day as the Committee's approval. The Secretariat will concurrently update the Consolidated Sanctions List. At the same time, any modification to the ISIL (Da'esh) and Al-Qaida Sanctions List will be communicated to Member States immediately through Notes Verbales, including an electronic advance copy, and United Nations Press Releases.
- (c) Once the updated ISIL (Da'esh) and Al-Qaida Sanctions List is communicated to Member States, States are encouraged to circulate it widely, such as to banks and other financial institutions, border points, airports, seaports, consulates, customs agents, intelligence agencies, alternative remittance systems and charities.

6. Listing

- (a) The Committee shall consider including new names based on submissions received from Member States in line with paragraph 3 of resolution 2253 (2015).
- (b) Member States are encouraged to establish a national mechanism or procedure to identify and assess names for inclusion on the ISIL (Da'esh) and Al-Qaida Sanctions List and to appoint a national contact point concerning entries on that list according to national laws and procedures, and to designate a national focal point in charge of liaising with the Committee and the Monitoring Team on issues related to the implementation of the measures described in paragraph 2 of resolution 2253 (2015) and the assessment of the threat from ISIL, Al-Qaida, and associated individuals, groups, undertakings, and entities.
- (c) Before a Member State proposes a name for inclusion on the ISIL (Da'esh) and Al-Qaida Sanctions List, it is requested to the extent possible, to approach the State(s) of residence and/or nationality, location or incorporation of the individual or entity concerned to seek additional information.
- (d) States are advised to submit names as soon as they gather the supporting evidence of association with ISIL (Da'esh) and Al-Qaida. A criminal charge or conviction is not a prerequisite for listing as the sanctions are intended to be preventive in nature.
- (e) The Committee will consider proposed listings on the basis of the "associated with" standard described in paragraphs 3 and 5 of resolution 2253 (2015).
- (f) When submitting names of groups, undertakings or entities, States are encouraged, if they deem it appropriate, to propose for listing at the same time the names of the individuals responsible for the decisions of the group, undertaking or entity concerned.
- (g) When proposing names for inclusion on the ISIL (Da'esh) and Al-Qaida Sanctions List, Member States should use the standard forms for listing available in all official languages on the Committee's website¹ and shall include as much relevant and specific information as possible on a proposed name, in particular sufficient identifying information to allow for the accurate and positive identification of the individual, group, undertaking or entity concerned by competent authorities, and to the extent possible, information required by INTERPOL to issue a Special Notice, including:
 - (i) For individuals: family name/surname, given names, other relevant names, date of birth, place of birth, nationality/citizenship, gender, aliases, employment/occupation, State(s) of residence, passport or travel document and national identification number, current and previous addresses, current status before law enforcement authorities (e.g. wanted, detained, convicted), location, photographs and other biometric data (where available and in accordance with their national legislation);

The Monitoring Team shall be prepared to assist Member States in this regard.

- (h) Member States shall provide a detailed statement of case in support of the proposed listing that forms the basis or justification for the listing in accordance with the relevant resolutions, including paragraph 45 of resolution 2253 (2015). The statement of case should provide as much detail as possible on the basis(es) for listing, including but not limited to:

¹ https://www.un.org/sc/suborg/es/sanctions/1267/aq_sanctions_list

 - (m) Co-sponsors of listing requests that were submitted to the Committee after the adoption of resolution 1989 (2011) will not be considered designating states in the application of paragraphs 63 and 65 of resolution 2253 (2015). Co-sponsors will continue to be addressed, as appropriate, in the context of the Committee's review of the ISIL (Da'esh) and Al-Qaida Sanctions List described in paragraphs 79 to 82 of resolution 2253 (2015).
 - (n) The Committee will consider listing requests within a period of ten full working days, which may be shortened, if requested by a Member State, at the Chair's discretion, for emergency and time-sensitive listings. If a proposal for listing is not approved within the decision-making period, the Committee, or the Secretariat on its behalf, will notify the submitting State on the status of the request. The Secretariat shall inform the Committee Members the same working day of any holds or objections received before 5:30 p.m. Holds or objections received after 5:30 p.m. shall be communicated to the Committee Members the following working day. If no objection is received by the end of the no-objection period, the decision will be deemed adopted. The Secretariat shall take all the necessary steps to update the ISIL (Da'esh) and Al-Qaida Sanctions List in accordance with paragraph 5(b) above.
 - (o) Committee Members and the Monitoring Team are called upon to share with the Committee any information available regarding a listing request to help inform the Committee's decision and provide additional material for the narrative summary of reasons for listing.
 - (p) Upon request of a Committee Member, listing requests may be placed on the Committee's agenda for more detailed consideration. If deemed necessary, the Committee may request additional background information from the Monitoring Team and/or the designating State(s). Following consideration by the Committee, the Chair shall circulate the listing request under the written decision-making procedure as described in Sections 4 paragraph (b) and section 6 paragraph (n) above.
 - (q) On the same day that a name is added to the ISIL (Da'esh) and Al-Qaida Sanctions List, the Committee shall, with the assistance of the Monitoring Team and in coordination with the relevant designating State(s), make accessible on the Committee's website a narrative summary of reasons for listing for the corresponding entry or entries. In addition to the

narrative summary, the Secretariat shall, promptly after a name is added to the ISIL (Da'esh) and Al-Qaida Sanctions List, publish on the Committee's website all relevant publicly releasable information, where available.

- (r) In its communication informing Member States of new entries to the ISIL (Da'esh) and Al-Qaida Sanctions List, the Secretariat shall include the narrative summary of reasons for listing.
- (s) Unless the Committee decides otherwise, the Secretariat shall request, within three working days, INTERPOL to issue, where feasible, an INTERPOL-United Nations Security Council Special Notice for each name added to the list.

- (w) In addition, in its communication, the Secretariat shall invite States to provide in accordance with national law details on measures taken to implement the sanctions.
- (x) Where the address is known, and after the Secretariat has officially notified the Permanent Mission of the State(s) concerned, the Ombudsperson shall notify individuals or entities about the status of their listing. The Ombudsperson shall include all additional information as described in paragraph (u) above.

- (ff) In cases where the Ombudsperson recommends in his/her Comprehensive Report retaining the listing, the Committee will complete its consideration of the Comprehensive Report and notify the Ombudsperson that the listing will be retained. The right of each Committee Member to submit a delisting request as outlined in section 7 paragraph (a) remains unaffected.
- (gg) In cases where the Ombudsperson recommends delisting in his/her Comprehensive Report, and after the Comprehensive Report has been presented by the Ombudsperson, the Chair will circulate the delisting request with a no-objection period of 10 working days.
- (hh) Immediately following the expiration of the ten day no-objection deadline, the Secretariat shall inform the Committee Members whether any objections have been received. - (mm) After the Committee has taken a decision, the Secretariat will take the appropriate steps outlined in section 7 (k) – (p).

Deceased Individuals and Defunct Entities

- (nn) For a deceased individual or defunct entity, the delisting request shall be submitted either directly to the Committee by a State, or to the Office of the Ombudsperson by his/her legal beneficiary, together with official documentation certifying that status.
- (oo) The delisting request shall include an official documentation confirming the death of the individual or dissolution of the entity. The Committee considers any official communication from a State declaring a listed person to be dead as fulfilling the requirement for “credible information regarding death” as described in paragraph 80 (b) of resolution 2253 (2015) without prejudice to the final decision of the Committee as to the removal of the name from the List.
- (pp) For deceased individuals, the official communication, such as documentation certifying death, should include, to the extent possible, the full name, permanent reference number, date of birth, and the date and place of death of the individual, as well as any further information about the circumstances of the death. For defunct entities, documentation should include, to the extent possible, the name, permanent reference number, location, date of dissolution of the entity or current status or registration, status of any assets, as well as any further information about the circumstances of the dissolution.
- (qq) The submitting State or the petitioner should also ascertain and inform the Committee whether or not any legal beneficiary of the deceased’s estate or any joint owner of his/her assets is on the ISIL (Da’esh) and Al-Qaida Sanctions List, and to the extent possible, inform the Committee about the names of any individuals or entities who would be in a position to receive any unfrozen assets of a deceased individual or defunct entity, in order to prevent unfrozen assets from being used for terrorist purposes.
- (rr) In cases where individuals or entities have no frozen assets, the Committee will accept as sufficient for delisting an official communication from the individual’s State(s) of nationality or residence, or the entity’s State(s) of incorporation or location, declaring the financial status of the individual or entity in question, without prejudice to the final decision of the Committee.
- (ss) After the Committee has taken a decision, the Secretariat will take the appropriate steps outlined in section 7 (k) – (p).

8. Updating the Existing Information on the ISIL (Da’esh) and Al-Qaida Sanctions List

- (a) The Committee shall consider expeditiously, in accordance with the following procedures, any information supplied by Member States, regional or international organizations, or the Monitoring Team, in particular additional identifying information and other information, along with supporting documentation, including updates on the operating status of listed individuals, groups, entities and undertakings, the movement, incarceration or death of listed individuals and other significant events as well as any relevant court decisions and

proceedings, as such information becomes available, and shall decide which information would improve the existing information on the ISIL (Da'esh) and Al-Qaida Sanctions List.

- (b) The Committee will consider any additional information on listed individuals or entities submitted to it by Member States, regional or international organizations or the Monitoring Team. The Committee or the Monitoring Team, at the Committee's request, may approach the original designating State(s) and consult with it on the relevance of the submitted additional information. The Committee may also encourage Member States or regional or international organizations providing such additional information to consult with the original designating State(s). The Secretariat will, subject to the designating State's consent, assist in establishing the appropriate contacts.
- (c) The Monitoring Team will, as appropriate, review any and all information received by the Committee in order to clarify or confirm such information. In this connection, the Monitoring Team will use all sources available to it, including other sources than those provided by the original designating State(s).
- (d) The Monitoring Team will subsequently advise the Committee, within four weeks, if such information could be included in the ISIL (Da'esh) and Al-Qaida Sanctions List, or if further clarification is recommended in order to ascertain that the information received can be incorporated in the ISIL (Da'esh) and Al-Qaida Sanctions List. The Committee shall decide whether and how such clarification should be obtained and may again call upon the expertise of the Monitoring Team.
- (e) The Monitoring Team may also submit to the Committee any information on listed individuals and entities it has obtained from publicly available official sources, or with the help of United Nations agencies with their agreement. In such cases, the Monitoring Team shall identify the source of each piece of new information when presenting it for the Committee's consideration.
- (f) Upon the decision of the Committee to incorporate additional information into the ISIL (Da'esh) and Al-Qaida Sanctions List the Committee will inform the Member State or regional or international organization that submitted the additional information accordingly.
- (g) Any additional relevant information submitted to the Committee that is not incorporated into the ISIL (Da'esh) and Al-Qaida Sanctions List or the narrative summary of reasons for listing will be stored by the Monitoring Team in a database for the use of the Committee and the Monitoring Team in carrying out their respective mandates. Upon request, the Committee shall share any such additional information with Member States whose nationals, residents or entities have been included on the ISIL (Da'esh) and Al-Qaida Sanctions List provided that the information is publicly releasable or the provider of the information has agreed to its release. The Committee may also call on the Monitoring Team to assist in conveying such additional relevant information to the requesting State(s). On a case-by-case basis the Committee may decide to release the information to other parties, with the prior consent of the provider of the information.
- (h) The Monitoring Team will present to the Committee an annual overview of the information included in the Special Notices, including biometric data. The Committee will inform States and INTERPOL of the outcome of the annual overview.

9. Narrative Summaries of Reasons for Listing

- (a) For all entries on the ISIL (Da'esh) and Al-Qaida Sanctions List, the Committee, with the assistance of the Monitoring Team and in coordination with the relevant designating State(s), shall continue to make accessible on its website narrative summaries of reasons for listing.
- (b) When a new name is proposed for listing, the Monitoring Team shall immediately prepare, in coordination with the relevant designating State(s), a draft narrative summary for the Committee's consideration which shall be circulated together with the corresponding listing

request. The narrative summary shall be made accessible on the Committee's website on the same day a name is added to the ISIL (Da'esh) and Al-Qaida Sanctions List.

- (c) Draft narrative summaries should be based on information provided by the designating State(s), Committee members or the Monitoring Team, including the statement of case, the standard form for listing, any other official information provided to the Committee or any other relevant information publicly available from official sources.
- (d) The narrative summary should include: the date of listing; the basis(es) for listing according to the relevant resolutions adopted by the Security Council, i.e. specific information demonstrating that the individual or entity meets the criteria for listing set out in the relevant resolutions; information about any acts or activities of the individual/entity indicating an association with ISIL (Da'esh) and Al-Qaida, pursuant to paragraphs 3 and 5 of resolution 2253 (2015); the names and permanent reference numbers of other entries on the List associated with the listed party; any other relevant information available at the date or after the date of listing such as relevant court decisions and proceedings as provided by the designating State(s) or other Member States concerned; the date(s) when the narrative summary was first made accessible on the Committee's website and when it was reviewed or updated.
- (e) If the Committee decides to grant a delisting request, the Secretariat shall immediately remove the corresponding narrative summary from the Committee's website. If the Committee decides to reject a delisting request, the Monitoring Team shall prepare an updated draft narrative summary for the Committee's consideration reflecting the date of the Committee's decision to reject a delisting request as well as any relevant new publicly releasable information provided during the Committee's consideration.
- (f) When reviewing a list entry in accordance with paragraphs 79-82 of resolution 2253 (2015) the Committee shall also review the corresponding narrative summary. Upon completion of the review, the Monitoring Team shall prepare an updated draft narrative summary for the Committee's consideration reflecting the date of the Committee's review as well as any relevant new publicly releasable information provided during the Committee's consideration.
- (g) At any time the Committee may consider updating narrative summaries based on new information, proposed changes or additions as well as information about any relevant court decisions and proceedings submitted by Committee Members, the Monitoring Team, Member States or relevant international organizations.

10. Review of the ISIL (Da'esh) and Al-Qaida Sanctions List

- (a) The Committee with the support of the Monitoring Team and the Secretariat will, as stipulated by paragraphs 79 to 82 of resolution 2253 (2015), conduct an annual review of the ISIL (Da'esh) and Al-Qaida Sanctions List.
- (b) The procedures for the review shall be based on the procedures described in paragraph (f) below, but may be adapted by the Committee as appropriate in a modalities paper.
- (c) The review described in this section shall not preclude the submission of delisting requests at any time, in accordance with the relevant procedures set out in section 7 of these guidelines.
- (d) The Committee shall conduct an annual review of the following names on the ISIL (Da'esh) and Al-Qaida Sanctions List:
 - (i) individuals and entities whose entries lack identifiers necessary to ensure effective implementation of the measures imposed upon them;
 - (ii) individuals who are reportedly deceased;
 - (iii) entities that are reported or confirmed to have ceased to exist; and

- (iv) any other names that have not been reviewed in three or more years (“the triennial review”).
- (e) The Committee’s consideration of a delisting request after the date of adoption of resolution 1989 (2011), pursuant to the procedures set out in annex II to resolution 1989 (2011), annex II to resolution 2083 (2012), annex II to resolution 2161 (2014), or annex II to resolution 2253 (2015) (reproduced in the annex to these guidelines), should be considered equivalent to a review of that listing for the purposes of paragraph (d)(iv) above.
- (f) The Committee will implement the review based on the following procedure:
 - (i) By 1 March of the new review year³, the Monitoring Team shall identify those entries on the ISIL (Da’esh) and Al-Qaida Sanctions List that are eligible for review, along with the relevant designating States, co-sponsoring States, and States of residence/and or nationality, location or incorporation, where known, as well as any other concerned States (hereafter “States relevant to the review”⁴). For defunct entities, the Monitoring Team will circulate to the Committee an assessment of any relevant information. For reportedly deceased individuals, the Monitoring Team will circulate to the Committee an assessment of relevant available information officially provided by Member States such as the certification of death, and to the extent possible, the status and location of frozen assets and, if available, the names of any individuals or entities who would be in a position to receive any unfrozen assets.
 - (ii) The Committee shall circulate these names, together with the list entries, narrative summaries of reasons for listing and publicly available INTERPOL-UN Security Council Special Notices (indicating whether fingerprints and other biometrics are available via INTERPOL) to all States relevant to the review. At the same time, the Chair will invite the members of the Committee to provide any additional information on these listed individuals and entities.
 - (iii) The Committee shall ask all States relevant to the review to submit to the Committee within 3 months any updated information on the reasons for listing, as well as any additional identifying and other information, along with supporting documentation, on these listed individuals and entities, including updates on the operating status of the listed entities, the movement, incarceration or death of the listed individuals and other significant events. The Committee shall also urge these States to indicate whether they deem the listing to remain appropriate.
 - (iv) The review replies received will be uploaded to the Committee’s eRoom as they are received. Within one month after the end of the 3-month information-gathering period⁵, the Monitoring Team will compile all information received from reviewing States, together with any additional information and the Monitoring Team’s own assessment, and make it available to the Committee members in the form of dossiers on each entry under a triennial review and in a consolidated table for all other names under review.
 - (v) Once the Monitoring Team has provided the complete dossiers, the Chair will advise the members of the Committee as to when the names will be placed on the Committee’s agenda for consideration, so as to allow for sufficient time for the review of all available information and for the members to reach their position on each case.

³ Insofar as the previous year’s review has already been completed by that date.

⁴ For example, States where individuals or entities have conducted attacks or whose nationals, flag vessels, aircrafts or diplomatic facilities may have been targeted, as identified in the list entries or narrative summaries of reasons for listing.

⁵ As appropriate, pending availability of responses from States relevant to the review.

- (vi) On the basis of all available information, the Committee shall review whether these listing remain appropriate and will remove listings if it decides they are no longer appropriate.
- (vii) In cases where any of the States reviewing the names in accordance with subparagraph (ii) above determines that a listing is no longer appropriate, that State may submit a delisting request following the same relevant procedures set out in section 7 of these guidelines.
- (viii) On the basis of all available information, the Committee shall consider updating the ISIL (Da'esh) and Al-Qaida Sanctions List and shall make accessible on its website the narrative summary of reasons for listing, as appropriate.
- (ix) In cases where a member of the Committee in the course of the review determines that a listing is no longer appropriate, it may, in close consultations with the designating State(s), State(s) of residence and/or nationality and taking into account their views on the matter as referred to in subparagraph (ii) above, submit a delisting request following the same relevant procedures set out in section 7 of these guidelines.
- (x) When the designating State(s) submits a delisting request, paragraphs 63, 64 and 65 of resolution 2253 (2015) shall apply.
- (xi) If, after the review of a deceased person, all members of the Committee are of the view that the name shall be removed from the List but no Member States proposes delisting, the Chair shall submit a request for delisting to be circulated under the Committee's written procedure.
- (xii) The Monitoring Team will refer to the Chair for review listings for which, after three years, no relevant State has responded in writing to the Committee's requests for information. The Chair, acting in his/her capacity as Chair, may submit such names for removal from the Sanctions List, as appropriate and subject to the Committee's normal decision-making procedures.
- (xiii) If no decision has been taken by the Committee to remove a name under review from the ISIL (Da'esh) and Al-Qaida Sanctions List by the end of the review year⁶, the listing of that name shall be confirmed to remain appropriate, the review for that name will be concluded and those names shall remain on the ISIL (Da'esh) and Al-Qaida Sanctions List.
- (xiv) On the basis of all available information and within one month after the conclusion of the review for each name, the Monitoring Team will provide to the Committee, for its consideration, draft amendments for updating the Sanctions List and the narrative summaries of reasons for such listings, as appropriate.
- (xv) Upon completion of the review of all names, the Secretariat shall do a technical update of the list entries and the corresponding narrative summaries of reasons of listing to reflect the date on which the Committee conducted the review.
- (xvi) Upon completion of the steps outlined in subparagraph (xiv), the Secretariat shall issue a press release and notify the State(s) relevant to the review. The State(s) of residence and/or nationality, location or incorporation shall be encouraged to take, in accordance with their domestic laws and practices, all possible measures to notify or inform the individual or entity accordingly and in cases where listing is confirmed to remain appropriate, provide any information on updated reasons for listing available on the Committee's website as well as the procedures for considering delisting requests and the provisions for available exemptions.

⁶ As appropriate depending on when the review commenced.

The Committee, through the Secretariat, will immediately acknowledge receipt of the notification, except in instances where the information provided is insufficient, in which case the Secretariat will inform that a decision cannot be taken until such information is provided. - (c) A listed individual, group, undertaking or entity may apply to the Focal Point mechanism established by resolution 1730 (2006) for an exemption from the measures outlined in paragraph 2 (a) of resolution 2253 (2015). Before the Committee will consider a request submitted through the Focal Point, the request must be submitted to the State of residence. The Focal Point may, if necessary, forward requests to States of residence in this context. Once the Focal Point has confirmed that the request has been submitted to the State of residence, the Focal Point will transmit the request to the Committee for a decision. The Committee shall consider such requests in consultation with States of residence and any other relevant States. The Committee, through the Focal Point, shall notify such individuals, groups, undertaking or entities of the Committee's decision.

 - (i) interest or other earnings due on those accounts, or
 - (ii) payments due under contracts, agreements or obligations that arose prior to the date on which those accounts became subject to the assets freeze, or

Such assets may only be unfrozen in the absence of an objection by a Committee member within 30 days of receiving the request.

- (b) If the Ombudsperson is unable to interview a petitioner in his or her state of residence, the Ombudsperson may request an exemption for the sole purpose of allowing the petitioner to travel to another State to be interviewed by the Ombudsperson. The Ombudsperson may submit such a request provided that the petitioner is in agreement with the proposal, the application is for a period no longer than necessary to participate in the interview and all States of transit and destination do not object to the travel.

Member States are encouraged to consult with other relevant States where appropriate prior to submitting a request for exemption. If no effective central government exists in the country in which the listed individual is located, a

⁷ The Security Council also decided that the travel ban shall not oblige any State to deny entry into or require the departure from its territories of its own nationals and shall not apply where entry or transit is necessary for the fulfillment of a judicial process.

United Nations office or agency in that country may submit the request for exemption on the listed individual's behalf.

- (e) Listed individuals, groups, undertakings and entities may submit exemption requests pursuant to the Focal Point mechanism established by resolution 1730 (2006), pursuant to paragraph 76 (b) of resolution 2253 (2015). The Focal Point will transmit the request to the Committee to determine, on a case-by-case basis whether the travel is justified.
- (f) Each request for exemption shall be received by the Chair or the Focal Point as early as possible but not less than fifteen working days before the date of the proposed travel, except where humanitarian considerations require a shorter period. Petitioners are encouraged to submit exemption requests well in advance of the proposed travel to ensure ample time for the Committee to consult with relevant States. The Committee shall consider such requests in consultation with States of transit and destination and any other relevant States, and will only agree to exemptions to the travel ban with the agreement of the States of transit and destination.
- (g) The Chair shall circulate the exemption request under the written decision-making procedure for a period of ten days following the procedures described in section 4 (b). In urgent situations on humanitarian grounds, the Chair shall determine whether to shorten the consideration period. Any requests received after 12:00 (noon EST) will be circulated the following working day.
- (h) Each request for exemption should include the following information:
 - (i) the permanent reference number on the ISIL (Da'esh) and Al-Qaida Sanctions List, full name, nationality, passport number or travel document number of the listed individual;
 - (ii) the purpose of and justification for the proposed travel, with copies of supporting documents, including specific details of meetings or appointments;

 - (iv) the complete itinerary and timetable, including for all transit stops;
 - (v) details of the mode of transport to be used, including where applicable, record locator, flight numbers and names of vessels;
 - (vi) all proposed uses of funds or other financial assets or economic resources in connection with the travel. Such funds may only be provided in accordance with paragraph 1 of resolution 1452 (2002), as modified by paragraph 15 of resolution 1735 (2006). The procedures for making a request under resolution 1452 (2002) can be found in section 11 of these guidelines.
- (i) Once the Committee has approved a request for exemption from the travel ban, the Chair shall communicate in writing the decision, approved itinerary and timetable to the Permanent Missions to the United Nations of: the State in which the listed individual is resident or believed to be located, the State(s) of which the person is believed to be a national, the State(s) to which the listed individual will be traveling, any transit State, as well as to any UN office/agency involved as provided for in paragraph (e) above.
- (j) Written confirmation of the completion of the travel by the listed individual shall be provided to the Chair within five working days following the expiry of the exemption by the State (or United Nations office/agency as in paragraph (e) above) in which the listed individual has stated he will be resident after completion of the exempted travel.
- (k) Notwithstanding any exemption from the travel ban, listed individuals remain subject to the other measures outlined in paragraph 2 of resolution 2253 (2015).

- (l) Any changes to the information provided under paragraph (i) above, including with regard to points of transit, shall require further consideration by the Committee and shall be received by the Chair no less than three working days prior to the commencement of the travel.
- (m) Any request for an extension of the exemption shall be subject to the procedures set out above and shall be received by the Chair in writing, with a revised itinerary, no less than five working days before the expiry of the approved exemption.
- (n) The submitting State, or the applicant through the Focal Point (or United Nations office/agency as in paragraph (e) above) shall inform the Chair immediately and in writing of any change to the departure date for any travel for which the Committee has already issued an exemption. Written notification will be sufficient in cases where the time of departure is advanced or postponed no more than 48 hours and the itinerary remains otherwise unchanged. If travel is to be advanced or postponed by more than 48 hours, or the itinerary is changed, then a new exemption request shall be submitted in conformity with paragraphs (e), (f) and (g) above.
- (o) In cases of emergency evacuation to the nearest appropriate State, including for medical or humanitarian needs or through force majeure, the Committee will determine whether the travel is justified within the provisions of paragraph 2 (b) of resolution 2253 (2015), within 24 hours once notified of the name of the listed individual traveler, the reason for travel, the date and time of evacuation, along with transportation details, including transit points and destination. The notifying authority shall also provide, as soon as possible, a doctor's or other relevant national official's note containing as many details as possible of the nature of the emergency and the facility where treatment or other necessary assistance was received by the listed individual without prejudice to respect of medical confidentiality, as well as information regarding the date, time, and mode of travel by which the listed individual returned to his/her country of residence or nationality, and complete details on all expenses in connection with the emergency evacuation.
- (p) Unless the Committee otherwise decides, all requests for exemptions and extensions thereto which have been approved by the Committee in accordance with the above procedures shall be posted in the "Exemptions" section of the Committee's website until expiry of the exemption.

13. Communications from non-listed individuals

- (b) The Committee shall consider such communications and respond, through the Focal Point, to such communications referred to in 13(a)(ii), as may be appropriate, within 60 days, and shall, in consultation with INTERPOL as may be appropriate, to communicate with Member States as may be appropriate to address possible or confirmed cases of false or mistaken identity or confusion with the individuals included on the ISIL (Da'esh) and Al-Qaida Sanctions List.

14. Reports Submitted by Members States and Other Information Supplied to the Committee

- (c) The information received by the Committee will be kept confidential if the provider so requests or if the Committee so decides.
- (d) With a view to assisting States in their endeavour to implement the measures set out in paragraph 2 of resolution 2253 (2015), the Committee may decide to supply information forwarded to it relating to possible non-compliance to the States concerned, and ask any such State to report to the Committee subsequently on any follow-up action undertaken.
- (e) The Committee will provide Member States and relevant international organizations with an opportunity to send representatives to meet the Committee for more in-depth discussion of relevant issues or to give voluntary briefings on their efforts to implement the measures, including particular challenges that hinder full implementation of the measures. In order to encourage a dialogue between the Committee and interested Member States, in particular those in the region, the Committee may invite, as appropriate, representatives of such States to meet with the Committee to discuss implementation of the measures, in accordance with the Committee's decision-making procedures.
- (f) The Chair will convene, on a case by case basis and when appropriate, a dedicated meeting to discuss how to meet the gaps of implementation of the sanctions measures.

15. Reports to the Security Council

- (c) In its periodic reports to the Council, the Chair will also provide progress reports on the Committee's work on the identification of possible cases of non-compliance with the measures pursuant to paragraph 2 of resolution 2253 (2015). The Committee will also submit written reports to the Council in accordance with relevant resolutions.

16. Outreach

- (a) In order to enhance the dialogue with Member States and to publicize the work of the Committee, the Chair will hold briefings on a regular basis for all interested Member States, as well as brief interested Member States and the press following formal meetings of the Committee, unless the Committee decides otherwise. In addition, the Chair may, after prior consultations and with the approval of the Committee, hold press conferences and/or issue press releases on any aspect of the Committee's work.
- (b) The Chair will circulate his remarks to be delivered at informal briefings for all interested Member States to the Committee for information and comments, and welcomes suggestions from Committee members on any additional points for the Chair's consideration.
