**DAESH (IS) is the Enemy of Islam**

On 18 Safar 1438 (November 18, 2016) Daesh killed Abu Harraz, a Sufi Sheikh who was more than 100 years old. Shakh Abu Harraz was a respectable man and an authoritative person in the Sinai.

Abu Bakr as-Siddiq, the first Rightly-Guided Caliph, said, "Do not kill an old man, a woman or a child. Do not transgress the limits." (al-Bayhaqi, 17927).

Such crimes of IS are referred to as follows: "And let those who oppose the Messenger's (Muhammad) commandment beware, lest ... a painful torment be inflicted on them." (Quran, Surah An-Nur, Ayah 63).

IS video footage shows a terrorist who cites the Quran, "... strike their necks," and continues, "Now, in the name of Allah, we are going to perform a sacrifice." Afterwards, all the captives are executed.

STRIKE THE NECKS

HOWEVER, THE QURAN states, "So when you meet Unbelievers in battle, strike [their] necks", while captives should be liberated, "Thereafter (is the time) either for generosity [i.e. free them without ransom], or ransom..." (Quran, Surah Muhammad, Ayah 4).

Such crimes of IS are referred to as follows: "... keep your duty to Allah and fear Him, and speak (always) the truth." (Quran, Surah Al-Ahzab, Ayah 70).

## DISCREDITING TERRORIST GROUPS ON THE BASIS OF THEIR PROPAGANDA ANALYSIS

**DAESH (IS) is the Enemy of Islam**

Daesh propaganda spreads lies about how good the life of Arabs was under the Ottoman Caliphate.

**@RusAgainstDAESH**

~~'We are grandsons and great grandsons of those very Muslims who lived in the Caliphate abiding by the teachings of their religion, fearing Allah and nothing until you came to destroy it and crush us and our hearts with your satanic Sykes-Picot borders and put your agents to govern us.'~~

**In reality, the life of Arabs under the Caliphate was so bad that in 1916 they rose in rebellion.**

**'Verily, Allah guides not one who is a transgressor, a liar!' (Surah Ghafi, Ayat 28).**

**DAESH (IS) is the Enemy of Islam**

On 18 Rabi' al-awwal 1437 (30.12.2015), IS OPENED FIRE on a group of tourists in Daghestan. A border guard was killed and 11 tourists were severely injured.

**@RusAgainstDAESH**

For fear of taking responsibility for the killing of Muslims, IS has made a deceitful and hypocritical statement: "With the help of Allah, the warriors of the Caliphate attacked a group of Russian security officials in the city of Derbent in the south of Daghestan. As a result, one security official was killed and the others are injured."

Regarding such lies by IS, the Quran says: "... keep your duty to Allah and fear him, and speak (always) the truth." (Quran, Surah Al-Ahzab, Ayah 70)

**DAESH (IS) is the Enemy of Islam**

IS video footage shows a terrorist who cites the Quran, "... strike their necks," and continues, "Now, in the name of Allah, we are going to perform a sacrifice." Afterwards, all the captives are executed.

**@RusAgainstDAESH**

**STRIKE THEIR NECKS**

**HOWEVER, THE QURAN states, "So when you meet Unbelievers in battle, strike [their] necks", while captives should be liberated, "Thereafter (is the time) either for generosity (i.e. free them without ransom), or ransom..." (Quran, Surah Muhammad, Ayah 4).**

**Such crimes of IS are referred to as follows: "... keep your duty to Allah and fear Him, and speak (always) the truth." (Quran, Surah Al-Ahzab, Ayah 70).**

## RECOMMENDATIONS

- **Improvement of self-regulation in the private sector. It is necessary to prevent free publication of the ISIL terrorist materials in Russian on Archive.org, Google, Twitter, Facebook, Telegram. We are willing to share the library of terrorist logos and lists of words typical of the ISIL propaganda for its automatic identification, and provide on a regular basis the lists of new terrorist resources for shutdown and our counter-messaging materials for dissemination.**

**IT IS NECESSARY TO APPOINT CERTAIN PEOPLE TO BE IN CHARGE IN GOOGLE AND FACEBOOK OFFICES IN MOSCOW AND AN AUTHORIZED PERSON IN ANY TWITTER OFFICE IN EUROPE.**

- **Identification and prohibition of terrorist resources on the Internet is less efficient than detention of terrorists and their collaborators working on social media. It is necessary to ensure implementation of UN Security Council resolution 2253 stipulating the need to exchange information expeditiously and improve cooperation among competent authorities.**

**IT IS NECESSARY TO RESUME INTERACTION BETWEEN LAW ENFORCEMENT AGENCIES TO NOT ONLY SHUT DOWN TERRORIST RESOURCES IN SOCIAL NETWORKS AND ON THE INTERNET BUT ALSO TO IDENTIFY AND ARREST THOSE WHO MANAGE THEM.**
