The Chair of the Security Council Committee established pursuant to resolution 1718 (2006) presents his compliments to the Permanent Mission of Finland to the United Nations and has the honour to refer to its note verbale dated 15 June 2020, conveying to the Committee a request for an exemption, in accordance with paragraph 25 of resolution 2397 (2017), from the prohibitions on transfers to the Democratic People's Republic of Korea (DPRK) of the equipment listed in paragraph 7 of resolution 2397 (2017), to allow for the import of items into the DPRK within the scope of a humanitarian assistance project undertaken by the nongovernmental organization Finn Church Aid, to enhance the food security of vulnerable primary school aged children in two counties in North Hwanghae province through supporting supplementary school feeding programs, and to conduct disaster risk reduction and education in emergencies activities to bolster the resilience of vulnerable children and their families.

The Chair has the further honour to inform Finland that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned note verbale, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items and services outlined in Finland's note verbale within the next six months, which is enclosed in this note verbale as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

The Committee further supports and approves Finland engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.
