Dear Mr. Sang Hyuk Yoon,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 12 April 2023 requesting the Committee for an adjustment of the timeframe for the exemption granted on 12 August 2022 pursuant to paragraph 25 of Security Council resolution 2397 (2017), to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), in particular for the second shipment of necessary medical and rehabilitation equipment for the Pyongyang Spine and Rehabilitation Centre (PYSRC), due to delays as a result of the COVID-19-related restrictions and the closure of the DPRK borders.

I have the further honour to inform you that, following due consideration, the Committee has decided to adjust the timeframe for the exemption until 4 February 2024, to complete the shipment of the relevant items, in accordance with paragraph 25 of resolution 2397 (2017).

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of nine months.

The Committee would like to thank Ignis Community for its diligence.

Yours sincerely,

Dear Mr. Sang Hyuk Yoon,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to your letter dated 21 July 2022, requesting the Committee for an exemption in accordance with paragraph 25 of Security Council resolution 2397 (2017), to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), in particular for the second shipment of necessary medical and rehabilitation equipment for the Pyongyang Spine and Rehabilitation Centre (PYSRC), in accordance with Implementation Assistance Notice No. 7.

I have the further honour to inform you that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items outlined in your letter within the next nine months, which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

The Committee further supports and approves Ignis Community engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.
